INFORMATION CONTAINED IN THIS FORM 6-K REPORT

Agreement and Plan of Merger

On July 4, 2023, Brookfield Reinsurance Ltd., a Bermuda exempted company limited by shares (the “**Brookfield Reinsurance**”), entered into an Agreement and Plan of Merger (the “**Merger Agreement**”), with Arches Merger Sub, Inc., an Iowa corporation and a wholly owned subsidiary of Brookfield Reinsurance (“**Merger Sub**”), American Equity Investment Life Holding Company, an Iowa corporation (“**AEL**”) and solely for the purposes set forth in the Merger Agreement, Brookfield Asset Management Ltd., a company incorporated under the laws of the Province of British Columbia (“**BAM**”).

The Merger Agreement provides, among other things and subject to the terms and conditions of the Merger Agreement, that (a) Merger Sub will be merged with and into AEL (the “**Merger**”), with AEL being the surviving company in the Merger, and, (b) at the effective time of the Merger (the “**Effective Time**”), each issued and outstanding share of common stock, par value \$1.00 per share, of AEL (each, an “**AEL Common Share**”) (excluding AEL Common Shares held by holders exercising appraisal rights, shares owned by AEL as treasury stock, shares owned by Brookfield Reinsurance, Merger Sub or their subsidiaries including North End RE (Cayman) SPC (“**North End**”) and Freestone Re Ltd. (“**Freestone**”, and together, the “**Brookfield Reinsurance Group Shareholders**”), or shares subject to AEL restricted stock awards (as discussed further below)) will be converted into the right to receive (i) \$38.85 per share in cash, without interest (the “**Cash Consideration**”) and (ii) a number of fully-paid and nonassessable shares of class A limited voting shares of BAM (“**BAM Class A Stock**”) equal to the Exchange Ratio (as defined in the Merger Agreement) (the “**Stock Consideration**”, together with the Cash Consideration, the “**Merger Consideration**”). The Exchange Ratio is subject to adjustment such that if, based on the 10-day volume-weighted average share price of BAM Class A Stock (measured five business days prior to closing of the Merger) (the “**BAM Final Stock Price**”), BAM Class A Stock is trading at a price such that the aggregate Merger Consideration would be less than \$54.00 per share, the number of shares of BAM Class A Stock delivered for each AEL Common Share will be increased such that the value of the aggregate Merger Consideration delivered for each AEL Common Share will equal \$54.00 and Brookfield Reinsurance will have the option to pay cash in lieu of some or all of the Stock Consideration. In the event that the BAM Final Stock Price would result in the aggregate Merger Consideration per AEL Common Share being greater than \$56.50, the number of shares of BAM Class A Stock delivered for each AEL Common Share will be decreased such that the value of the aggregate Merger Consideration delivered for each AEL Common Share will equal \$56.50.

The Merger Agreement does not provide for the payment of any consideration with respect to the issued and outstanding shares of Series A and Series B preferred stock, each, par value \$1.00 per share, of AEL, which shares will be unaffected by the Merger and remain outstanding in accordance with the terms of the Merger Agreement. In accordance with the terms of the Merger Agreement, from the Effective Time, Brookfield Reinsurance will cause the Surviving Company to cause the depositary shares representing one-thousandth of one share of such Series A or Series B preferred stock, as applicable, to continue to be listed on the New York Stock Exchange.

In addition, the Merger Agreement provides for the following treatment of AEL’s equity awards at the Effective Time:

- each outstanding and unexercised stock option (“**AEL Option**”) (whether vested or unvested) will be automatically canceled and converted into the right to receive a cash payment, without interest, equal to the product of (1) the number of AEL Common Shares subject to such AEL Option immediately prior to the Effective Time and (2) the excess, if any, of the Merger Consideration (valuing the Stock Consideration at \$16.15) over the exercise price per share of such AEL Option;
 - each outstanding AEL restricted stock unit (“**AEL RSU**”) other than certain AEL RSUs granted following the date of the Merger Agreement (“**Rollover AEL RSUs**”) will be automatically canceled and converted into the right to receive a cash payment, without interest, equal to the product of (1) the number of AEL Common Shares subject to such AEL RSU immediately prior to the Effective Time and (2) the Merger Consideration (valuing the Stock Consideration at \$16.15);
 - each outstanding AEL RSU subject to performance-based vesting conditions (“**AEL PSU**”) will be automatically canceled and converted into the right to receive a cash payment, without interest, equal to the product of (1) the number of AEL Common Shares subject to such AEL PSU immediately prior to the Effective Time (based on (A) for AEL PSUs other than the AEL PSUs granted pursuant to the employee restricted stock unit award agreement, dated November 29, 2022, by and between AEL and the Chief Executive Officer of AEL (such PSUs, the “**VWAP PSUs**”), a performance level determined based on the greater of target and actual performance as reasonably determined by the Compensation and Talent Management Committee of the Board of Directors of AEL (the “**AEL Board**”) immediately prior to the Effective Time and (B) for VWAP PSUs, attainment of applicable performance goals based on the Merger Consideration) (valuing the Stock Consideration at \$16.15) and (2) the Merger Consideration (valuing the Stock Consideration at \$16.15);
-

- each outstanding award of AEL Common Share subject to vesting conditions (“**AEL Restricted Stock**”) will automatically have any restrictions thereon lapse and be converted into the right to receive a cash payment, without interest, equal to the product of (1) the number of shares of AEL Restricted Stock subject to such award immediately prior to the Effective Time and (2) the Merger Consideration (valuing the Stock Consideration at \$16.15); and
- any outstanding AEL RSU that is a Rollover AEL RSU will automatically cease to represent an award denominated in AEL Common Share and will be converted into an award of cash-settled restricted stock units denominated in shares of BAM Class A Stock (an “**Exchanged RSU**”), with the number of shares of common stock subject to each such Exchanged RSU equal to the product of (1) the number of AEL Common Shares subject to such Rollover AEL RSU immediately prior to the Effective Time multiplied by (2) the quotient of (i) the Merger Consideration (valuing the Stock Consideration at \$16.15) divided by (ii) the BAM Class A Stock Price, and except as specifically provided in the Merger Agreement, following the Effective Time, each Exchanged RSU will continue to be governed by the same material terms and conditions (including vesting schedule and the termination protections established for such AEL RSU) as were applicable to the Rollover AEL RSU immediately prior to the Effective Time.

The AEL Board has unanimously (1) determined that the Merger Agreement and the transactions contemplated thereby, including the Merger, are advisable, fair to, and in the best interests of, AEL and its shareholders (other than the Brookfield Reinsurance Group Shareholders and any other shareholders affiliated with Brookfield Reinsurance), (2) adopted the Merger Agreement and the transactions contemplated thereby, including the Merger, (3) directed that the Merger Agreement and the transactions contemplated thereby, including the Merger, be submitted to AEL’s shareholders for approval and (4) resolved to recommend that AEL’s shareholders vote to approve the Merger and the Merger Agreement (the “**AEL Shareholder Approval**”).

The closing of the Merger is subject to satisfaction or waiver of customary closing conditions, including (1) the receipt of the AEL Shareholder Approval, (2) receipt of certain regulatory approvals, including the expiration or termination of the waiting period (and any extension thereof) under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, (3) the absence of any injunction or restraint making illegal or otherwise prohibiting the consummation of the Merger, (4) the effectiveness of the registration statement on Form F-4 to be filed by BAM pursuant to which the shares of BAM Class A Stock to be issued as Stock Consideration will be registered with the Securities and Exchange Commission (the “**SEC**”) and (5) listing approval of the shares of BAM Class A Stock to be issued as Stock Consideration (i) on the New York Stock Exchange and (ii) subject to official notice of issuance, on the Toronto Stock Exchange. Brookfield Reinsurance’s, Merger Sub’s and BAM’s obligations to close the Merger are also conditioned upon the absence of a Company Material Adverse Effect (as defined in the Merger Agreement) and the absence of the imposition of a Burdensome Condition (as defined in the Merger Agreement) by any regulator as part of the regulatory approval process. The closing of the Merger may not occur prior to January 5, 2024, unless Brookfield Reinsurance elects to waive such inside date.

The Merger Agreement contains customary representations and warranties of AEL, Brookfield Reinsurance, Merger Sub and BAM, in each case generally subject to customary qualifications. Additionally, the Merger Agreement provides for customary pre-closing covenants of AEL, Brookfield Reinsurance, Merger Sub and BAM, including, subject to certain exceptions, covenants relating to the conduct by AEL and BAM of their respective businesses in the ordinary course consistent with past practice.

AEL has agreed not to solicit alternative takeover proposals from third parties or to engage in discussions with third parties regarding alternative takeover proposals. However, prior to the receipt of the AEL Shareholder Approval, the AEL Board may change its recommendation that the AEL’s shareholders vote to approve the Merger following certain intervening events or receipt of a “Superior Proposal” (as defined in the Merger Agreement), or terminate the Merger Agreement in order to enter into an agreement providing for a Superior Proposal, subject to AEL’s paying a termination fee, as described below, if the failure to do so would be inconsistent with the directors’ fiduciary duties.

The Merger Agreement provides termination rights for each of AEL and Brookfield, including, among others, in the event the closing of the Merger does not occur on or before April 4, 2024 (the “**Outside Date**”), provided that the Outside Date may be extended by either party to July 5, 2024, if, as of the initial Outside Date, all conditions to the Merger are satisfied or validly waived other than with respect to conditions relating to regulatory approvals. If, in connection with a termination of the Merger Agreement (1) by Brookfield Reinsurance due to a change of AEL Board’s recommendation that AEL’s shareholders vote to approve the Merger or by AEL to enter into an agreement in connection with a Superior Proposal or (2) by either party as a result of a failure to obtain the AEL Shareholder Approval and within twelve months of such termination, AEL consummates or enters into a definitive agreement to consummate an alternative takeover proposal that was publicly made known and not withdrawn prior to such termination, then AEL may be required to pay Brookfield Reinsurance a termination fee of \$102,000,000.

The foregoing description of the Merger Agreement and the transactions contemplated thereby in this Form 6-K is only a summary and does not purport to be complete and is qualified in its entirety by reference to the full text of the Merger Agreement, a copy of which is filed as Exhibit 2.1 hereto and incorporated by reference herein. It is not intended to provide any other factual information about AEL, Brookfield Reinsurance, BAM or their respective subsidiaries and affiliates. The Merger Agreement contains representations and warranties by each of the parties to the Merger Agreement, which were made only for purposes of that agreement and as of specified dates. The representations, warranties and covenants in the Merger Agreement were made solely for the benefit of the parties to the Merger Agreement, are subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Merger Agreement instead of establishing these matters as facts, as well as by information contained in each party's periodic reports filed with the SEC, and may be subject to standards of materiality applicable to the contracting parties that may differ from those applicable to investors. Investors are not entitled to, and should not, rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of AEL, Brookfield Reinsurance, BAM or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in AEL's public disclosures.

Voting Agreement

Concurrently with the execution of the Merger Agreement, AEL entered into a voting agreement (the "***Voting Agreement***") with Freestone and North End.

Pursuant to the Voting Agreement, subject to the terms and conditions therein, each of Freestone and North End have agreed to vote all of the outstanding AEL Common Shares then beneficially owned by Freestone, North End or any of their respective affiliates (1) in favor of the approval of the Merger Agreement and the Merger and (2) against any other takeover proposal or other proposal or transaction that would in any manner impede, frustrate, prevent or nullify any provision of the Merger Agreement or the Merger. The Voting Agreement also includes waivers of certain provisions of that certain Investment Agreement, dated October 17, 2020, by and among the AEL, Brookfield Corporation (formerly, Brookfield Asset Management Inc.) and Freestone and North End (as successors and assigns of Burgundy Acquisitions I Ltd.) (as amended, restated or otherwise modified from time to time, the "***Investment Agreement***"), in order to, among other things, permit Brookfield Reinsurance to exercise certain rights under the Merger Agreement and to remove any limitations on voting under the Investment Agreement that would conflict with the Brookfield Reinsurance Group Shareholders' voting obligations under the Voting Agreement.

As of the date of the Voting Agreement, an aggregate of 15,886,066 AEL Common Shares, representing approximately 20% of the total voting power of the holders of capital stock of AEL, were beneficially owned by the Brookfield Reinsurance Group Shareholders and subject to the Voting Agreement.

The foregoing description of the Voting Agreement does not purport to be complete and is subject to, and qualified in its entirety by the full text of such agreement, a copy of which is filed as Exhibit 10.1 to this Form 6-K and incorporated herein by reference.

The Company, Parent, Merger Sub and BAM are each referred to in this Agreement as a “party” and collectively as the “parties”.

(ii) As of the Effective Time, each share of Common Stock canceled pursuant to Section 3.01(d)(i) shall no longer be issued and outstanding and shall automatically be canceled and shall cease to exist, and each holder of a certificate that immediately prior to the Effective Time evidenced any such shares of Common Stock (each, a “Certificate”) or any such Common Stock in uncertified form through a direct registry system immediately prior to the Effective Time (each, a “Book-Entry Share”) shall cease to have any rights with respect thereto, except the right to receive the Merger Consideration, cash in lieu of fractional shares of BAM Class A Stock, if any, and any unpaid dividends or other distributions pertaining to the Common Stock represented by such Certificate or Book-Entry Share, as applicable, to be paid in consideration therefor, in accordance with Section 3.02(b) without interest.

(e) Adjustments to Merger Consideration.

(i) If at any time during the period between the date of this Agreement and the Effective Time, any change in the outstanding BAM Class A Stock or Common Stock shall occur by reason of any reclassification, recapitalization, split or combination (including a reverse stock split), exchange, merger, consolidation or readjustment of shares, or any stock dividend thereon with a record date during such period, or any similar transaction or event, the Merger Consideration, the Exchange Ratio and any other similarly dependent items, as the case may be, shall be appropriately and equitably adjusted to provide the holders of Common Stock the same economic effect as contemplated by this Agreement prior to such event. Nothing in this Section 3.01(e)(i) shall be construed as permitting the Company or BAM to take any action or enter into any transaction otherwise prohibited by this Agreement.

(ii) Notwithstanding anything to the contrary in this Agreement, if the BAM Class A Stock Price is less than \$30.48, Parent and BAM shall have the right (in their sole discretion) to elect to reduce (but not to below zero) the Exchange Ratio by delivering written notice of such election to the Company no later than 4:00 p.m. New York time on the second trading day immediately preceding the Closing Date; provided that, unless Parent and BAM elect to reduce the Exchange Ratio to zero, any such reduction in the Exchange Ratio shall not result in the value of the aggregate amount of Stock Consideration (determined on the basis of the BAM Class A Stock Price) after giving effect to such reduction being less than \$200,000,000. If Parent and BAM make such an election, (A) the amount of the Cash Consideration shall be increased by an amount equal to the product of (1) the positive excess of (x) the Exchange Ratio as determined in accordance with the definition thereof prior to giving effect to such reduction, over (y) the Exchange Ratio after giving effect to such reduction, multiplied by (2) the BAM Class A Stock Price and (B) if such election reduces the Exchange Ratio to zero, (1) all of BAM's obligations pursuant to Sections 3.02(a)(ii)(B) and 3.02(d), Article VI and Sections 7.02, 7.04, 7.14(d), 7.20 and 8.03(c) shall automatically cease to have any further force and effect and (2) the conditions set forth in Sections 8.01(b), 8.01(e), 8.03(c) and 8.03(d) shall be deemed waived by all of the parties hereto and of no further force or effect (provided, however, that this subclause (1) shall not relieve BAM of any liability for any breach of any such provision by BAM prior to the making of such election).

(f) Preferred Stock. At the Effective Time, by virtue of the Merger and without any action on the part of any holder thereof,

(i) each share of Series A Preferred Stock issued and outstanding immediately prior to the Effective Time shall be unaffected by the Merger and remain outstanding as one share of Series A Preferred

Stock of the Surviving Company entitled to the same dividends and all other preferences and privileges, voting rights, relative, participating, optional and other special rights, and subject to the same qualifications, limitations and restrictions, set forth in the certificate of designations applicable thereto as of immediately prior to the Effective Time, and (B) each depositary share issued pursuant to the Series A Deposit Agreement, representing one-thousandth of one share of Series A Preferred Stock (“Series A Depositary Share”) issued and outstanding immediately prior to the Effective Time shall be unaffected by the Merger and remain outstanding and represent one-thousandth of one share of Series A Preferred Stock of the Surviving Company; and

(ii) each share of Series B Preferred Stock issued and outstanding immediately prior to the Effective Time shall be unaffected by the Merger and remain outstanding as one share of Series B Preferred Stock of the Surviving Company entitled to the same dividends and all other preferences and privileges, voting rights, relative, participating, optional and other special rights, and subject to the same qualifications, limitations and restrictions, set forth in the certificate of designations applicable thereto as of immediately prior to the Effective Time, and (B) each depositary share issued pursuant to the Series B Deposit Agreement, representing one-thousandth of one share of Series B Preferred Stock (“Series B Depositary Share”, together with the Series A Depositary Shares, the “Depositary Shares”) issued and outstanding immediately prior to the Effective Time shall be unaffected by the Merger and remain outstanding and represent one-thousandth of one share of Series B Preferred Stock of the Surviving Company.

(g) Preferred Stock Dividends Declared Prior to Closing. Parent acknowledges and agrees on its behalf and on behalf of the Surviving Company that if, prior to the Closing Date, any dividend for which a record date prior to the Closing Date and a payment date following the Closing Date has been declared to holders of Preferred Stock, that such dividend shall be paid by or on behalf of the Surviving Company to holders of record as of such record date on the applicable payment date.

(h) Surviving Company Stock. At the Effective Time, if any Stock Consideration is included in the Merger Consideration, the Surviving Company will issue shares of Surviving Common Stock to Parent in consideration for Parent depositing or causing to be deposited such Stock Consideration pursuant to Section 3.02(a)(ii). The number of shares of Surviving Common Stock issued to Parent pursuant to this Section 3.01(h) will have a fair market value equal to the fair market value of such Stock Consideration.

SECTION 3.02. Exchange Fund.

(a) Exchange Agent.

(i) Not less than 30 days prior to the anticipated Closing Date, Parent shall designate a bank or trust company reasonably acceptable to the Company to act as agent (the “Exchange Agent”) for the purpose of exchanging shares of Common Stock for the Merger Consideration in accordance with this Article III and, in connection therewith, shall enter into an agreement with the Exchange Agent prior to the Closing Date in a form reasonably acceptable to the Company.

(ii) Prior to the Effective Time, (A) Parent shall deposit or cause to be deposited with the Exchange Agent an amount in cash in U.S. dollars that is sufficient to pay the aggregate Cash Consideration, and any cash payable in lieu of fractional shares of BAM Class A Stock pursuant to Section 3.02(e); and (B) BAM and Parent shall deposit or cause to be deposited with the Exchange Agent evidence of BAM Class A Stock in book-entry form in the name of the Exchange Agent (or its designee) representing an aggregate number of shares of BAM Class A Stock sufficient to deliver the aggregate Stock Consideration (such cash and shares of BAM Class A Stock being hereinafter referred to as the “Exchange Fund”). Parent agrees to deposit, or cause to be deposited, with the Exchange Agent from time to time, as needed, cash in U.S. dollars sufficient to pay any dividends and other distributions pursuant to Section 3.02(h).

(iii) The Exchange Fund shall be held in trust by the Exchange Agent for the benefit of the holders of Common Stock that are entitled to receive the Merger Consideration. Pending its disbursement in accordance with this Section 3.02, the cash portion of the Exchange Fund shall be invested by the Exchange Agent as directed by Parent in (i) short-term direct obligations of the United States of America, (ii) short-term obligations for which the full faith and credit of the United States of America is pledged to provide for the payment of principal and interest, (iii) short-term commercial paper rated the highest quality by either Moody’s Investors Service, Inc. or Standard and Poor’s Ratings Services or (iv) certificates of deposit, bank repurchase agreements or banker’s acceptances of commercial banks with capital exceeding \$10,000,000,000 (based on the most recent financial statements of such bank that are then publicly available). Parent shall or shall cause the Surviving Company to promptly replace or restore the cash in the Exchange Fund so as to ensure that the Exchange Fund is at all times maintained at a level sufficient for the Exchange Agent to promptly make all payments to former holders of Common Stock of the Merger Consideration. No investment losses resulting from investment of the funds deposited with the Exchange Agent shall diminish the rights of any former holder of Common Stock to receive the Merger Consideration. The Exchange Fund shall not be used for any purpose other than the payment to holders of Common Stock of the Merger Consideration.

(b) Letter of Transmittal; Exchange of Common Stock. As soon as practicable after the Effective Time (but in no event later than three business days after the Effective Time), the Surviving Company or Parent shall cause the Exchange Agent to mail to each holder of record of a Certificate that immediately prior to the Effective Time evidenced any Common Stock to be canceled pursuant to Section 3.01(d)(i) (“Company”).

Stock Certificates”) a form of letter of transmittal (which (i) shall specify that delivery of a Company Stock Certificate shall be effected, and risk of loss and title to such Company Stock Certificate shall pass, only upon delivery of such Company Stock Certificate to the Exchange Agent and (ii) shall be in such form and have such other customary provisions as the Surviving Company may specify, subject to the Company’s reasonable approval (to be obtained prior to the Effective Time)), together with instructions thereto, setting forth, *inter alia*, the procedures by which holders of Company Stock Certificates may receive the Merger Consideration pursuant to this Article III. Upon the completion of such applicable procedures by a holder and the surrender of such holder’s Company Stock Certificates (or affidavit of loss in lieu thereof in accordance with Section 3.02(c)) for cancellation to the Exchange Agent, and without any action by any holder of record of Book-Entry Shares that immediately prior to the Effective Time represented any Common Stock (“Company Book-Entry Shares”), the Exchange Agent shall deliver to such holder (other than any holder of Common Stock representing Dissenting Shares), (A) in the case of Company Book-Entry Shares, a notice of the effectiveness of the Merger, (B) the number of shares of BAM Class A Stock representing, in the aggregate, the whole number of shares of BAM Class A Stock, if any, that such holder has the right to receive as Stock Consideration and (C) an amount of cash that such holder has the right to receive as Cash Consideration and cash in lieu of fractional shares of BAM Class A Stock, if any, in each case, with respect to the shares of Common Stock represented by such Company Stock Certificate or Company Book-Entry Shares immediately prior to the Effective Time, and such Company Stock Certificates or Company Book-Entry Shares shall forthwith be canceled. If payment of the Merger Consideration is to be made to a Person other than the Person in whose name a Company Stock Certificate surrendered is registered, it shall be a condition of payment that (x) the Company Stock Certificate so surrendered shall be properly endorsed or shall otherwise be in proper form for transfer and (y) the Person requesting such payment shall have established to the reasonable satisfaction of the Surviving Company that any transfer and other Taxes required by reason of the payment of the Merger Consideration to a Person other than the registered holder either has been paid or is not applicable. Notwithstanding the foregoing, with respect to any shares of Common Stock held through DTC, Parent and the Company shall cooperate to establish procedures with the Exchange Agent and DTC to ensure that the Exchange Agent will transmit to DTC or its nominees as soon as reasonably practicable on or after the Closing Date, upon surrender of Common Stock held of record by DTC or its nominees in accordance with DTC’s customary surrender procedures, the Merger Consideration, and cash in lieu of fractional shares of BAM Class A Stock, if any, in each case, that such holder has the right to receive pursuant to this Article III. Until satisfaction of the applicable procedures contemplated by this Section 3.02 and subject to Section 3.05, each Company Stock Certificate or Company Book-Entry Share shall be deemed at any time after the Effective Time to represent only the right to receive the Merger Consideration formerly represented by such Company Stock Certificate or Company Book-Entry Share as contemplated by this Article III. No interest shall be paid or shall accrue on the cash payable with respect to any Common Stock pursuant to this Article III.

(c) Lost, Stolen or Destroyed Company Stock Certificates. If any Company Stock Certificate shall have been lost, stolen or destroyed, upon the making of

an affidavit of that fact by the Person claiming such Company Stock Certificate to be lost, stolen or destroyed and, if required by the Surviving Company, the posting by such Person of a bond, in such reasonable amount as Parent may direct, as indemnity against any claim that may be made against it with respect to such Company Stock Certificate, the Surviving Company shall cause the Exchange Agent to pay, in exchange for such lost, stolen or destroyed Company Stock Certificate, the applicable Merger Consideration as contemplated by this Article III.

(d) Termination of Exchange Fund. At any time following the first anniversary of the Closing Date, the Surviving Company shall be entitled to require the Exchange Agent to deliver to it any portion of the Exchange Fund (including any interest received with respect to the Exchange Fund and any shares of BAM Class A Stock) that had been delivered to the Exchange Agent and which has not been disbursed to former holders of Common Stock, and thereafter such former holders shall be entitled to look only to Parent, BAM and the Surviving Company for, and Parent, BAM and the Surviving Company shall remain liable for, payment of their claims of the Merger Consideration that such former holders have the right to receive pursuant to the provisions of this Article III. Any amounts remaining unclaimed by such holders at such time at which such amounts would otherwise escheat to or become property of any Governmental Authority shall become, to the extent permitted by applicable Law, the property of Parent or its designee, free and clear of all claims or interest of any Person previously entitled thereto.

(e) No Fractional Shares. No certificates, receipts or scrip representing fractional interests in BAM Class A Stock will be issued upon the surrender or transfer for exchange of Company Stock Certificates or Company Book-Entry Shares, no dividend or distribution of BAM will relate to such fractional BAM Class A Stock interests, and such fractional BAM Class A Stock interests will not entitle the owner thereof to vote or to any rights of a holder of BAM Class A Stock. Parent shall pay to the Exchange Agent an amount in cash to be deposited promptly following the Effective Time, sufficient for the Exchange Agent to pay each holder of Company Stock Certificates or Company Book-Entry Shares an amount in cash (rounded to the nearest cent) equal to the product of (1) the fraction of a share of BAM Class A Stock (rounded to the nearest thousandth when expressed in decimal form) to which such holder (after aggregating all fractional BAM Class A Stock interests to be received by such holder) would otherwise have been entitled to receive, multiplied by (2) an amount equal to the BAM Class A Stock Price.

(f) No Liability. Notwithstanding any provision of this Agreement to the contrary, none of the Company, BAM, the Parent Entities, the Surviving Company or the Exchange Agent shall be liable to any Person for Merger Consideration lawfully delivered to a public official pursuant to any applicable state, federal or other abandoned property, escheat or similar applicable Law.

(g) Transfer Books; No Further Ownership Rights in Common Stock. The Merger Consideration paid in respect of each share of Common Stock in accordance with the terms of this Article III shall be deemed to have been paid in full satisfaction of

all rights pertaining to such Common Stock previously represented by such Certificates or Book-Entry Shares, subject, however, to Section 3.05. At the Effective Time, the share transfer books of the Company shall be closed and thereafter there shall be no further registration of transfers on the share transfer books of the Surviving Company of any shares of Common Stock that were issued and outstanding immediately prior to the Effective Time. From and after the Effective Time, the holders of Common Stock formerly represented by Certificates or Book-Entry Shares immediately prior to the Effective Time shall cease to have any rights with respect to such underlying Common Stock, except as otherwise provided for herein or by applicable Law. Subject to the last sentence of Section 3.02(d), if, at any time after the Effective Time, Certificates or Book-Entry Shares are presented to the Surviving Company for any reason, they shall be canceled and exchanged as provided in this Article III.

(h) Distributions with Respect to Un-surrendered Shares. All shares of BAM Class A Stock to be delivered as Stock Consideration to a holder of Common Stock pursuant to this Agreement shall be deemed delivered as of the Effective Time and whenever a dividend or other distribution is declared by BAM in respect of the BAM Class A Stock, the record date for which is at or after the Effective Time, that declaration shall include dividends or other distributions in respect of all shares of BAM Class A Stock to be delivered as Stock Consideration pursuant to this Agreement. No dividends or other distributions in respect of shares of BAM Class A Stock delivered as Stock Consideration pursuant to this Agreement shall be paid to any holder of any un-surrendered Company Stock Certificate until the Company Stock Certificate (or affidavit of loss in lieu of such Company Stock Certificate as provided in Section 3.02(c)) is surrendered for exchange in accordance with this Article III. Subject to applicable Law, following such surrender, there shall be issued or paid to the holder of record of the whole shares of BAM Class A Stock delivered as Stock Consideration in exchange for the Company Stock Certificates (and any Company Book-Entry Shares held by such holder) in accordance with this Article III, without interest, (i) at the time of such surrender, the dividends or other distributions with a record date after the Effective Time theretofore payable with respect to such whole shares of BAM Class A Stock and not paid and (ii) at the appropriate payment date, the dividends or other distributions payable with respect to such whole shares of BAM Class A Stock with a record date after the Effective Time and prior to surrender, but with a payment date subsequent to surrender. Such holder of Company Book-Entry Shares shall be entitled to vote after the Effective Time at any meeting of holders of BAM Class A Stock with a record date at or after the Effective Time the number of whole shares of BAM Class A Stock into which the shares represented by such Company Book-Entry Shares have been exchanged pursuant to this Agreement, regardless of whether such holder has exchanged its Company Stock Certificates.

(i) Withholding Taxes. Parent, Merger Sub, the Surviving Company and the Exchange Agent (without duplication) shall be entitled to deduct and withhold from the amounts otherwise payable pursuant to this Agreement (including in respect of Company Awards) such amounts as are required to be deducted and withheld with respect to the making of such payment under the Code, or any provision of other applicable Tax Law. To the extent amounts are so withheld and paid over to the

appropriate Governmental Authority in accordance with applicable Law, the withheld amounts shall be treated for all purposes of this Agreement as having been paid to the Person in respect of which such deduction and withholding was made. The parties hereby agree to use commercially reasonable efforts to provide written notice to the party entitled to the relevant payment of any anticipated withholding or deduction prior to making any deduction or withholding from amounts payable pursuant to this Agreement, and further agree to take commercially reasonable efforts to cooperate to eliminate or reduce any such deduction or withholding.

SECTION 3.03. Company Awards. Prior to the Effective Time, the Company Board (or, if appropriate, any duly authorized committee thereof administering the Company Stock Plans) shall adopt such resolutions and take such other actions as may be required to provide for the following:

(a) Company Options. Each Company Option (whether vested or unvested) outstanding immediately prior to the Effective Time shall, as of the Effective Time, automatically and without any required action by the holder thereof, be canceled and the holder thereof shall then become entitled to receive, in full satisfaction of the rights of such holder with respect thereto, a cash payment, without interest, equal to the product, rounded to the nearest cent, of (i) the number of shares of Common Stock subject to such Company Option immediately prior to the Effective Time and (ii) the excess, if any, of the Merger Consideration (valuing the Stock Consideration for purpose of this Section 3.03(a) at the BAM Class A Fixed Stock Price) over the exercise price per share of such Company Option; provided that any Company Option with an exercise price per share that is equal to or greater than the Merger Consideration (valuing the Stock Consideration for purpose of this Section 3.03(a) at the BAM Class A Fixed Stock Price) shall be automatically canceled as of Closing for no consideration.

(b) Company RSUs. Each Company RSU (other than a Rollover Company RSU) outstanding immediately prior to the Effective Time shall, as of the Effective Time, automatically and without any required action by the holder thereof, vest and be canceled and the holder thereof shall then become entitled to receive, in full satisfaction of the rights of such holder with respect thereto, a cash payment, without interest, equal to the product, rounded to the nearest cent, of (i) the number of shares of Common Stock subject to such Company RSU immediately prior to the Effective Time and (ii) the Merger Consideration (valuing the Stock Consideration for purpose of this Section 3.03(b) at the BAM Class A Fixed Stock Price).

(c) Company PSUs. Each Company PSU outstanding immediately prior to the Effective Time shall, as of the Effective Time, automatically and without any required action by the holder thereof, vest and be canceled and the holder thereof shall then become entitled to receive, in full satisfaction of the rights of such holder with respect thereto, a cash payment, without interest, equal to the product, rounded to the nearest cent, of (i) the number of shares of Common Stock subject to such Company PSU immediately prior to the Effective Time (assuming for (A) Company PSUs other than VWAP PSUs, a performance level determined based on the greater of target and actual performance as reasonably determined by the Compensation and Talent Management

Committee of the Company Board immediately prior to the Effective Time and (B) for VWAP PSUs, attainment of applicable performance goals based on the Merger Consideration (valuing the Stock Consideration for purpose of this Section 3.03(c) at the BAM Class A Fixed Stock Price)) and (ii) the Merger Consideration (valuing the Stock Consideration for purpose of this Section 3.03(c) at the BAM Class A Fixed Stock Price).

(d) Company Restricted Stock. Each award of Company Restricted Stock outstanding immediately prior to the Effective Time shall, at the Effective Time, automatically and without any required action on the part of the holder thereof, have any restrictions thereon lapse and the holder thereof shall then become entitled to receive, in full satisfaction of the rights of such holder with respect thereto, a cash payment, without interest, equal to the product, rounded to the nearest cent, of (i) the number of shares of Company Restricted Stock held by such holder immediately prior to the Effective Time and (ii) the Merger Consideration (valuing the Stock Consideration for purpose of this Section 3.03(d) at the BAM Class A Fixed Stock Price).

(e) Rollover Company RSUs. Any Company RSU that is a Rollover Company RSU outstanding immediately prior to the Effective Time shall, at the Effective Time, automatically and without any required action by the holder thereof, cease to represent an award denominated in Common Stock and shall be converted into an award of cash-settled restricted stock units denominated in shares of BAM Class A Stock (an “Exchanged RSU”), with the number of shares subject to each such Exchanged RSU equal to the product (rounded to the nearest whole number) of (i) the number of shares of Common Stock subject to such Rollover Company RSU immediately prior to the Effective Time and (ii) the Company Award Conversion Ratio. Except as specifically provided above, following the Effective Time, each Exchanged RSU shall continue to be governed by the same material terms and conditions (including vesting schedule and termination protections established for the applicable Company RSU) as were applicable to the Rollover Company RSU immediately prior to the Effective Time.

SECTION 3.04. Payments with Respect to Company Awards. Notwithstanding anything in this Agreement to the contrary, all amounts payable pursuant to this Article III in respect of each Company Award (other than the Rollover Company RSUs) shall be paid as promptly as reasonably practicable after the Effective Time, but in no event later than the second regularly scheduled payroll date following the Effective Time, by the Surviving Company or any of its Subsidiaries through their payroll systems, less applicable Tax withholdings (or, in the case of non-employee directors, such other method as the Company typically utilizes for payments to such Persons), to the holders of the Company Awards; provided that, with respect to any Company Awards that constitute nonqualified deferred compensation subject to Section 409A of the Code and that are not permitted to be paid at the Effective Time without triggering a Tax or penalty under Section 409A of the Code, such payment shall be made at the earliest time permitted under the applicable Company Stock Plan and award agreement that will not trigger a Tax or penalty under Section 409A of the Code.

SECTION 3.05. Shares of Dissenting Holders.

(a) Notwithstanding any provision of this Agreement to the contrary, Dissenting Shares shall not be converted into, or represent the right to receive, the Merger Consideration. As of the Effective Time, each Dissenting Share shall no longer be issued and outstanding and shall automatically be canceled and shall cease to exist, and each holder of a Dissenting Share immediately prior to the Effective Time shall be entitled to receive payment of the appraised value of such shares of Common Stock held by them in accordance with the applicable provisions of the IBCA, except that all Dissenting Shares held by shareholders who shall have failed to perfect or who effectively shall have withdrawn or lost their rights to appraisal of such shares of Common Stock under the IBCA shall thereupon be deemed to have been converted into, and to have become exchangeable for, as of the Effective Time, the right to receive the Merger Consideration, without any interest thereon, upon completion of applicable procedures and surrender of the Company Stock Certificates in accordance with Section 3.02(b) or, in the case of holders of Company Book-Entry Shares, without any action by such holder in accordance with Section 3.02(b), and in each case, shall cease to be Dissenting Shares hereunder.

(b) The Company shall give Parent (i) prompt notice of any demands for appraisal received by the Company, withdrawals of such demands, and any other related instruments received by the Company; and (ii) the opportunity to direct all negotiations and proceedings with respect to demands for appraisal under the IBCA. The Company shall not, except with the prior written consent of Parent, make any payment with respect to any demands for appraisal or offer to settle or settle any such demands.

ARTICLE IV

REPRESENTATIONS AND WARRANTIES OF THE COMPANY

The Company represents and warrants to Parent and Merger Sub that, except as (A) set forth in the corresponding section of the disclosure letter delivered by the Company to Parent and Merger Sub on the date of this Agreement (the “Company Disclosure Letter”) (it being agreed that disclosure set forth in one section or sub-section of the Company Disclosure Letter shall be deemed disclosure with respect to, and shall be deemed to apply to and qualify, the section or sub-section of this Article IV to which it corresponds in number and each other section or sub-section of this Article IV to the extent the qualifying nature of such disclosure with respect to such other section or sub-section is reasonably apparent on the face of such disclosure) or (B) disclosed in any report, schedule, form, statement or other document (including exhibits) filed with, or furnished to, the SEC by the Company and publicly available at least three business days prior to the date of this Agreement (the “Filed SEC Documents”), other than any disclosure contained in such Filed SEC Documents under the heading “Risk Factor” or “Forward-Looking Statements” or sections of such reports, or that otherwise constitute risk factors or forward-looking statements:

SECTION 4.01. Organization; Standing.

(a) The Company is an Iowa corporation duly incorporated and organized and validly existing under the IBCA. The Company has all requisite power

and authority necessary to carry on its business as it is now being conducted, and to own, lease and operate its assets, rights and properties in all material respects. The Company is duly licensed or qualified to do business and is in good standing (where such concept is recognized under applicable Law) in each jurisdiction in which the nature of the business conducted by it or the character or location of the properties and assets owned or leased by it makes such licensing or qualification necessary, except where the failure to be so licensed, qualified or in good standing would not reasonably be expected to have a Company Material Adverse Effect or prevent, materially delay or materially impair the consummation by the Company of the Transactions.

(b) A true, complete and correct copy of each of the Company Organizational Documents is included in the Filed SEC Documents. The Company is not in material violation of any provision of the Company Organizational Documents, and no Subsidiary of the Company is in material violation of its certificates or articles of incorporation, memorandum of association, bylaws, bye-laws or other comparable charter or organizational documents except as would not be material to the Company and its Subsidiaries, taken as a whole. The Company has made available to Parent true, complete and correct copies of the organizational documents of each of the Company's Subsidiaries set forth in Section 4.01(b) of the Company Disclosure Letter, in each case as amended and in effect as of the date hereof.

(c) Each of the Company's Subsidiaries is duly incorporated or organized, validly existing and in good standing (where such concept is recognized under applicable Law) under the Laws of the jurisdiction of its incorporation or organization, except where the failure to be so incorporated or organized, existing and in good standing would not reasonably be expected to have a Company Material Adverse Effect, taken as a whole.

SECTION 4.02. Capitalization.

(a) The authorized share capital of the Company consists of 200,000,000 shares of Common Stock and 2,000,000 shares of Preferred Stock. At the close of business on June 30, 2023 (the "Capitalization Date"), (i) 77,885,597 shares of Common Stock (including 959,314 shares of Common Stock held by the Company ESOP, of which 959,314 shares are allocated and no shares are unallocated) were issued and outstanding, (ii) 2,895,500 shares of Common Stock under the Company Stock Plans of which (A) 196,394 are shares of Company Restricted Stock, (B) 447,308 shares are subject to outstanding Company RSUs, (C) 628,841 and 1,691,015 shares of Common Stock are subject to outstanding Company PSUs (assuming achievement of any applicable performance criteria at the target and maximum levels, respectively), and (D) 1,622,957 shares are subject to unexercised Company Options (whether vested or unvested, including 1,405,820 shares subject to vested and unexercised Company Options), (iii) 3,056,407 shares of Common Stock are reserved and available for issuance under the Company Stock Plans, (iv) 16,000 shares of 5.95% Fixed-Rate Reset Non-Cumulative Preferred Stock, Series A, of the Company (the "Series A Preferred Stock") were issued and outstanding, (v) 12,000 shares of 6.625% Fixed-Rate Reset Non-Cumulative Preferred Stock, Series B, of the Company (the "Series B Preferred Stock"),

Since the Capitalization Date through the date of this Agreement, other than in connection with the vesting, settlement or exercise of Company Awards or pursuant to allocation under the Company ESOP, neither the Company nor any of its Subsidiaries has issued any Company Securities.

(b) Except as described in this Section 4.02, as of the Capitalization Date, there were (i) no outstanding shares of Common Stock, Preferred Stock or other equity or voting interests in the Company (including bonds, debentures, notes or other Indebtedness of the Company having the right to vote), (ii) no outstanding securities of the Company convertible into or exchangeable for Common Stock or other equity or voting interests in the Company, (iii) except pursuant to any Company Awards, any Company Stock Plan or the Company ESOP, no outstanding options, warrants, rights or other commitments or agreements to acquire from the Company, or that obligate the Company to issue, any Common Stock, Preferred Stock or other equity or voting interests in, or any securities convertible into or exchangeable for Common Stock, Preferred Stock or other equity or voting interests in the Company (collectively, “Company Rights,” and the items in clauses (i), (ii) and (iii) being referred to collectively as “Company Securities”) and (iv) no other obligations by the Company or any of its Subsidiaries to make any payments based on the price or value of any Company Securities or dividends paid thereon. Other than in connection with the Company Awards or pursuant to a Company Stock Plan, there are no outstanding agreements of any kind that obligate the Company or any of its Subsidiaries to repurchase, redeem or otherwise acquire any Company Securities or that grant from the Company or any of its Subsidiaries any preemptive rights, anti-dilutive rights, rights of first refusal or similar rights with respect to any Company Securities. Except as described in this Section 4.02, no direct or indirect Subsidiary of the Company owns any Common Stock or Preferred Stock. None of the Company or any Subsidiary of the Company is a party to any shareholders’ agreement, voting trust agreement, registration rights agreement or other similar agreement or understanding relating to any Company Securities or any other agreement relating to the disposition or voting with respect to any Company Securities. All issued and outstanding Common Stock and Preferred Stock have been duly authorized and validly issued and are fully paid, nonassessable and free of preemptive rights. As of the date of this Agreement, there are no accrued and unpaid dividends with respect to the Common Stock or the Preferred Stock.

(c) The Common Stock and the Depositary Shares constitute the only issued classes of shares or other securities of the Company or its Subsidiaries registered under the Exchange Act.

(d) All of the issued and outstanding share capital or shares of capital stock of, or other equity or voting interests in, each Subsidiary of the Company (except for directors’ qualifying shares or the like) are owned, directly or indirectly, beneficially and of record, by the Company free and clear of all Liens, except for Permitted Liens. Each issued and outstanding share capital or share of capital stock of each Subsidiary of the Company that is held, directly or indirectly, by the Company, is duly authorized,

validly issued, fully paid, nonassessable and free of preemptive rights, and there are no subscriptions, options, warrants, rights, calls, contracts or other commitments that obligate the Company or any Subsidiary of the Company to issue any share capital or shares of capital stock or other equity or voting interests of any Subsidiary of the Company, including any right of conversion or exchange under any outstanding security, instrument or agreement, any agreements granting any preemptive rights, subscription rights, anti-dilutive rights, rights of first refusal or similar rights with respect to any securities of any Subsidiary of the Company. None of the Subsidiaries of the Company has any outstanding equity compensation plans relating to the share capital or capital stock of, or other equity or voting interests in, any Subsidiary of the Company.

(e) The Company has made available to Parent accurate and complete copies of all Company Stock Plans, any other Contracts pursuant to which any Company Awards are outstanding as of the date of this Agreement and the forms of all Company Award agreements (and any individual award agreements whose terms materially deviate from such forms) evidencing such Company Awards as of the date of this Agreement. The exercise price of each Company Option is no less than the fair market value of a share of Common Stock as determined on the date of grant of such Company Option. All grants of Company Awards were recorded on the Company's financial statements (including any related notes thereto) contained in all reports filed with the SEC in accordance with GAAP. The Company and each of its Subsidiaries hold, and since January 1, 2021, have held, all licenses, memberships, franchises, permits, certificates, approvals, authorizations and registrations from Governmental Authorities (collectively, "Permits") necessary for the lawful conduct of their respective businesses and all such Permits are in full force and effect, except where the failure to hold the same or the failure of the same to be in full force and effect would not reasonably be expected to have a Company Material Adverse Effect or prevent, materially delay or materially impair the consummation by the Company of the

Transactions. There are no Actions pending or, to the Knowledge of the Company, threatened, that seek the revocation, cancellation or adverse modification of any Permit.

(b) Except as would not reasonably be expected to have a Company Material Adverse Effect or prevent, materially delay or materially impair the consummation by the Company of the Transactions, neither the Company nor any of its Subsidiaries is a party to any agreement or settlement with any Governmental Authority, under which it has any ongoing obligations or restrictions, with respect to any actual or alleged violation of any applicable Law.

(vii) All excise Tax Returns and excise Taxes under Section 4371 of the Code with respect to any reinsurance or retrocession agreement to which the Company or any of its Subsidiaries is a party have been duly and timely filed and paid.

(viii) The Company and each of its Subsidiaries have, within the time and manner prescribed by Law, withheld and paid over to the proper Governmental Authority all amounts required to have been so withheld and paid over, and have complied with all related Tax information reporting requirements under applicable Law.

SECTION 4.10. Employee Benefits.

(a) Section 4.10(a) of the Company Disclosure Letter contains a true and complete list, as of the date of this Agreement, of each material Company Plan. established, operated and administered in compliance with its terms and in accordance with applicable Laws, (ii) all contributions required to be made with respect to any Company Plan have been timely made and deposited and (iii) to the Knowledge of the Company, no circumstance, fact or event exists that could result in any material default under or material violation of any Company Plan.

(c) Each Company Plan that is intended to be “qualified” within the meaning of Section 401(a) of the Code has received a favorable determination letter from the IRS regarding the Tax-qualified status of such Company Plan or is entitled to rely upon a favorable opinion letter issued by the IRS regarding the plan’s Tax-qualified status and each such related trust has not been revoked, and, to the Knowledge of the Company, no events have occurred or circumstances exist that could reasonably be expected to cause the loss of reliance on such determination or opinion letter or adversely affect the Tax-qualified status of any such Company Plan or related trust.

(d) The Company does not maintain, sponsor or contribute to, nor within the past six years has it maintained, sponsored or contributed to, or required to maintain, sponsor or contribute to, a plan subject to Title IV of ERISA or Section 412 of the Code, including any “single employer” defined benefit plan (within the meaning of Section 3(35) of ERISA) or any “multiemployer plan” (as defined in Section 4063 of ERISA). No Company Plan is, and none of the Company or any of its Subsidiaries has any actual or contingent liability under, any “multiple employer plan” (within the meaning of Section 413(c) of the Code) or any “multiple employer welfare arrangement” as defined in Section 3(40) of ERISA. Neither the Company nor any of its Subsidiaries has any current or contingent liability or obligation with respect to any Company Plan as a consequence of at any time being considered a single employer under Section 414 of the Code with any other Person, trade or business, whether or not incorporated (an “ERISA Affiliate”). In addition, during the past six years, no liability under (i) Title IV or Section 302 of ERISA or Sections 412 and 4971 of the Code or (ii) Section 4980B of the Code as a result of a failure to comply with the continuation coverage requirements of Section 601 et seq. of ERISA and Section 4980B of the Code, has, in either case, been incurred by the Company or any ERISA Affiliate that has not been satisfied in full and, to the Knowledge of the Company, no condition exists that presents a risk to the Company or any ERISA Affiliate of incurring such liability that would reasonably be expected to result in material liability to the Company or any of its Subsidiaries. There has been no non-exempt prohibited transaction (within the meaning of Section 406 of ERISA or Section 4975 of the Code) with respect to any Company Plan, except for transactions that would not reasonably be expected to result in any material liability to the Company and its Subsidiaries taken together as a whole.

(e) Except as required under applicable Law, no Company Plan provides health, medical, dental or life insurance benefits following retirement or other termination of employment.

(f) There are no pending, or to the Knowledge of the Company, anticipated or threatened Actions against the Company or any of its Subsidiaries with respect to any Company Plan, by or on behalf of any employee, former employee or

beneficiary covered under any such Company Plan (other than routine claims for benefits) that would reasonably result in material liability to the Company and its Subsidiaries. No Company Plan is, or since January 1, 2021 has been, the subject of an examination, investigation or audit by a Governmental Authority.

(g) Neither the execution and delivery of this Agreement nor the consummation of the Transactions (either alone or in conjunction with any other event) will (i) result in any severance payment or benefit becoming due to any current or former employee, officer, director or other natural individual service provider of the Company or its Subsidiaries, (ii) increase, or enhance the terms of, any severance or other compensation or benefits otherwise payable to any current or former employee, officer, director or other natural individual service provider of the Company or its Subsidiaries, (iii) result in any acceleration of the time of payment, funding (through a grantor trust or otherwise) or vesting of any such compensation or benefits to any current or former employee, officer, director or other natural individual service provider of the Company or its Subsidiaries, (iv) trigger any increased or accelerated contributions to any Company Plan or trigger any change in the funding or covenant support arrangements for any Company Plan or (v) limit or restrict the right to amend, terminate or transfer the assets of any Company Plan on or following the Effective Time.

(h) The consummation of the Transactions (either alone or in combination with another event) will not result in the payment (or acceleration of vesting) of any amount or benefit that would, individually or in combination with any other payment, constitute an “excess parachute payment” within the meaning of Section 280G of the Code.

(i) No Person is entitled to receive any additional payment (including any Tax gross-up or other payment) from the Company or any of its Subsidiaries as a result of the imposition of the excise Taxes required by Section 4999 of the Code or any Tax, interest or penalties imposed by Section 409A of the Code (or any corresponding or similar provision of state, local or non-U.S. Law).

(j) Except as would not be expected to have a Company Material Adverse Effect, each Company Plan that constitutes a “nonqualified deferred compensation plan” within the meaning of Section 409A of the Code is and has been maintained and operated in documentary and operational compliance with Section 409A of the Code or an available exemption therefrom.

(k) Neither the Company nor any of its Subsidiaries maintains any Company Plan or other similar compensation or benefit arrangement that is subject to the Laws of any jurisdiction outside of the United States or that is registered or required to be registered or approved by a non-U.S. Governmental Authority.

(b) No Insurance Contract is a "modified endowment contract" within the meaning of Section 7702A of the Code, except any Insurance Contract that is being administered as a "modified endowment contract" and with respect to which the policyholder has consented in writing to the treatment of such Insurance Contract as a "modified endowment contract" and has not acted to revoke such consent.

(c) None of the Company and its Subsidiaries has entered into any agreement or has been within the last five years involved in any discussions or negotiations with the IRS or any other Governmental Authority, or otherwise has requested within the last five years relief from the IRS or any other Governmental

(e) None of the Company and its Subsidiaries is a party to any “hold harmless” or indemnification agreement or tax sharing agreement or similar arrangement under which it is liable for the Tax treatment of any Insurance Contract currently in force.

(f) The Company and its Subsidiaries have complied with all reporting, withholding and disclosure requirements of the Code, Treasury Regulations and forms issued by the IRS and other applicable Laws that are applicable to the Insurance Contracts and distributions thereunder.

(g) Notwithstanding anything to the contrary in this Agreement, except for the representations and warranties set forth in this Section 4.22, neither of the Company nor any of its Subsidiaries makes, and each such party hereby expressly disclaims, any express or implied representations or warranties, statutory, common law or otherwise, of any nature, with respect to the Tax treatment of any Insurance Contract, and as to any obligations in respect of withholding, information reporting or record-keeping in respect thereof.

SECTION 4.23. Statutory Statements. It is agreed and understood that such opinion is for the benefit of the Company Board and may not be relied on by Parent or Merger Sub for any purpose.

SECTION 4.25. Brokers and Other Advisors. Except for JPM and Ardea Partners, the fees and expenses of which will be paid by the Company pursuant to the applicable engagement letter, no broker, investment banker, financial advisor or other Person is entitled to any broker’s, finder’s, financial advisor’s or other similar fee or commission in connection with the Transactions based upon arrangements made by or on behalf of the Company, any of its Subsidiaries or any of their respective directors, officers or employees. SECTION 5.01. Organization; Standing. Parent is a Bermuda exempted company limited by shares duly incorporated and organized, validly existing and in good

standing under the Laws of Bermuda, and Merger Sub is an Iowa corporation duly organized and validly existing under the IBCA. Each of Parent and Merger Sub has all requisite power and authority necessary to carry on its business as it is now being conducted, except as would not reasonably be expected to have a Parent Material Adverse Effect. Each of Parent and Merger Sub is duly licensed or qualified to do business and is in good standing (where such concept is recognized under applicable Law) in each jurisdiction in which the nature of the business conducted by it or the character or location of the properties and assets owned or leased by it makes such licensing or qualification necessary, except where the failure to be so licensed, qualified or in good standing would not reasonably be expected to have a Parent Material Adverse Effect or prevent, materially delay or materially impair the consummation by the Parent Entities of the Transactions. Parent has made available to the Company true, complete and correct copies of Parent's certificate of incorporation and memorandum of association and bylaws, and Merger Sub's articles of incorporation and bylaws, each as amended to the date of this Agreement.

SECTION 5.02. Authority; Noncontravention.

(a) Each of Parent and Merger Sub has all necessary power and authority to execute and deliver this Agreement, to perform its obligations hereunder and, subject to obtaining the Merger Sub Shareholder Approval, to consummate the Transactions. The execution, delivery and performance by Parent and Merger Sub of this Agreement, and the consummation by Parent and Merger Sub of the Transactions, have been duly and unanimously authorized and approved by each of the Parent Board and the Merger Sub Board, as applicable, and, except for obtaining the Merger Sub Shareholder Approval (which approval shall be provided by the written consent of Arches Acquisition Holdco II Inc. immediately following the execution of this Agreement), no other action (including any shareholder vote or other action) on the part of Parent or Merger Sub or any of their Affiliates is necessary to authorize the execution, delivery and performance by Parent and Merger Sub of this Agreement and the consummation by Parent and Merger Sub of the Transactions (including the delivery of BAM Class A Stock as Stock Consideration pursuant to this Agreement). This Agreement has been duly executed and delivered by Parent and Merger Sub and, assuming due authorization, execution and delivery hereof by each other party, constitutes a legal, valid and binding obligation of each of Parent and Merger Sub, enforceable against each of them in accordance with its terms, except that such enforceability may be limited by and is subject to the Bankruptcy and Equity Exception.

(b) Each of the Parent Board and the Merger Sub Board have unanimously (i) determined that the terms of this Agreement are in the best interests of Parent or Merger Sub, as applicable, (ii) approved and adopted and declared the advisability of this Agreement and the Transactions, including the Merger, as of the date of this Agreement, and such resolutions have not been subsequently rescinded, modified or withdrawn in any way.

(c) Neither the execution and delivery of this Agreement by Parent and Merger Sub, nor the consummation by Parent or Merger Sub of the Transactions, nor

performance of or compliance by Parent or Merger Sub with any of the terms or provisions hereof, will (i) conflict with or violate any provision of the certificates or articles of incorporation, memorandums of association, bylaws, bye-laws or other comparable charter or organizational documents of (A) Parent or Merger Sub or (B) any of Parent's other Subsidiaries or (ii) assuming (A) compliance with the matters set forth in Section 4.03(c) (other than Section 4.03(c)(ii)(A)) (and assuming the accuracy of the representations and warranties made in such Section 4.03(c)), (B) that the actions described in Section 5.02(a) have been completed, (C) that the Consents referred to in Section 5.03 and, in the case of Merger Sub, the Merger Sub Shareholder Approval are obtained and (D) that the filings referred to in Section 5.03 are made and any waiting periods thereunder have terminated or expired, in the case of each of the foregoing clauses (A) through (D), prior to the Effective Time, (x) assuming the accuracy of the representations and warranties made in Section 4.26, violate any Law applicable to Parent or any of its Subsidiaries, (y) require any consent or notice, or conflict with, violate or constitute a default under any of the terms, conditions or provisions of any material Contract to which Parent or any of its Subsidiaries is a party or give rise to any right of purchase, termination, amendment, acceleration or cancellation under, result in the loss of any benefit under, or result in the triggering of any payments pursuant to, obligations under any such material Contract or (z) result in the creation of any Lien on any properties or assets of Parent or any of its Subsidiaries, except, in the case of clauses (ii)(y) and (ii)(z), as would not reasonably be expected to have a Parent Material Adverse Effect or prevent, materially delay or materially impair the consummation by the Parent Entities of the Transactions.

(d) The Merger Sub Shareholder Approval (which approval shall be provided by the written consent of Arches Acquisition Holdco II Inc. as contemplated by Section 7.12) is the only vote or approval of the holders of any class or series of shares of Merger Sub that is necessary to approve this Agreement and the Merger.

Parent owns beneficially and of record, indirectly through one or more wholly owned Subsidiaries as set forth on Section 5.04 of the Parent Disclosure Schedule, all of the issued and outstanding shares of Merger Sub, free and clear of all Liens. Merger Sub was formed solely for the purpose of engaging in the Transactions, has no assets, liabilities or obligations of any nature other than those incident to its formation and pursuant to the Transactions, and prior to the Effective Time, will not have engaged in any business activities other than those relating to the Transactions.

SECTION 5.05. Sufficient Funds. Parent and Merger Sub collectively have, or have available to them, as of the date of this Agreement and will continue to have, or have available to them, through and at the Effective Time unencumbered cash or cash equivalents that are sufficient to permit Parent to pay the aggregate Cash Consideration, consideration payable to holders of Company Awards pursuant to Section 3.03 and any other amount required to be paid in connection with the consummation of the Transactions, including the Payoff Amount and any amounts that become payable in respect of the redemption of the Senior Notes, and to pay all related fees and expenses of Parent and Merger Sub. For the avoidance of doubt, in no event shall the receipt or availability of any funds or financing by or to Parent or any Affiliate of Parent be a condition to any of Parent's or Merger Sub's obligations hereunder.

SECTION 5.06. Guaranty and Voting Agreement. Concurrently with the execution of this Agreement, BN has delivered to the Company a true, complete and correct copy of its duly executed Guaranty, and the Parent Group Shareholders have delivered to the Company a true, complete and correct copy of their duly executed Voting Agreement. The Guaranty and the Voting Agreement are in full force and effect, have not been amended or modified and constitute a legal, valid and binding obligation of the BN and the Parent Group Shareholders, respectively, enforceable against them in accordance with their terms, subject to the Bankruptcy and Equity Exception. No event has occurred that, with notice or lapse of time or both, would, or would reasonably be expected to, constitute a default on the part of BN or the Parent Group Shareholders pursuant to the Guaranty or the Voting Agreement, as applicable.

SECTION 5.07. Certain Arrangements. As of the date of this Agreement, there are no Contracts or other arrangements or understandings (whether oral

or written) or commitments to enter into Contracts or other arrangements or understandings (whether oral or written) (a) between Parent, Merger Sub or any of their Affiliates, on the one hand, and any member of the Company's management or the Company Board, on the other hand, that relate in any way to the Company or any of its Subsidiaries or the Transactions, (b) pursuant to which any shareholder of the Company would be entitled to receive consideration of a different amount or nature than the Merger Consideration or pursuant to which any shareholder of the Company agrees to vote to approve the Merger and this Agreement or agrees to vote against any Superior Proposal or (c) between Parent, Merger Sub or any of their Affiliates, on the one hand, and any holder of Company Awards, on the other hand, pursuant to which such holder would be entitled to receive consideration of a different amount or nature than the consideration payable pursuant to Section 3.03.

None of the information supplied or to be supplied by or on behalf of Parent or Merger Sub for inclusion or incorporation by reference in the Form F-4 or the Proxy Statement/Prospectus to be sent to the Company's shareholders in connection with the Company Shareholders Meeting (including any amendment or supplement thereto or document incorporated by reference therein) shall, on the date the Proxy Statement/Prospectus is first mailed to the Company's shareholders, at the time of any amendment thereof or supplement thereto and at the time of the Company Shareholders Meeting or at the time the Form F-4 (and any amendment or supplement thereto) is declared effective, contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading or omit to state a material fact necessary to correct any statement in any earlier communication with respect to the solicitation of proxies for the Company Shareholders Meeting which has become false or misleading.

None of the information supplied or to be supplied by or on behalf of BAM or any of its Affiliates for inclusion or incorporation by reference in the Form F-4 or the Proxy Statement/Prospectus to be sent to the Company’s shareholders in connection with the Company Shareholders Meeting (including any amendment or supplement thereto or document incorporated by reference therein) shall, on the date the Proxy Statement/Prospectus is first mailed to the Company’s shareholders, at the time of any amendment thereof or supplement thereto and at the time of the Company Shareholders Meeting, or at the time the Form F-4 (and any amendment or supplement thereto) is declared effective, contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading or omit to state a material fact necessary to correct any statement in any earlier communication with respect to the solicitation of proxies for the Company Shareholders Meeting which has become false or misleading.

(a) BAM has filed with or furnished to (as applicable) the SEC the BAM SEC Documents. As of their respective effective dates (in the case of BAM SEC Documents that are registration statements filed pursuant to the requirements of the Securities Act) or their respective SEC filing dates (in the case of all other BAM SEC Documents), or, if supplemented, modified or amended since the time of filing, as of the date of the most recent supplement, modification or amendment, the BAM SEC Documents complied in all material respects with the requirements of the Securities Act, the Exchange Act, the Sarbanes-Oxley Act and the applicable rules and regulations of the SEC promulgated thereunder, applicable to such BAM SEC Documents, and none of the BAM SEC Documents contained any untrue statement of a material fact or omitted to state a material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. As of the date of this Agreement, there are no outstanding or unresolved comments from the SEC staff with respect to any BAM SEC Document.

(b) Each of the consolidated financial statements of BAM (including all related notes or schedules) included or incorporated by reference in the BAM SEC Documents complied as to form, as of the dates and for the periods referred to therein and as of their respective dates of filing with the SEC, in all material respects with the applicable accounting requirements and published rules and regulations of the SEC, the Securities Act and the Exchange Act with respect thereto, have been prepared in all material respects in accordance with GAAP as in effect on the date of such statement (except, in the case of unaudited quarterly statements, for normal and recurring year-end adjustments) applied on a consistent basis during the periods involved (except (i) as may be indicated in the notes thereto or (ii) as permitted by Regulation S-X) and fairly present in all material respects the consolidated financial position of BAM and its consolidated Subsidiaries as of the dates thereof and the consolidated results of their operations, changes in shareholders' equity and cash flows for the periods shown (subject, in the case of unaudited quarterly financial statements, to normal year-end adjustments). Since November 21, 2022, BAM has not made any material change in the accounting practices or policies applied in the preparation of its financial statements, except as required by GAAP, SEC rule or policy or applicable Law. None of BAM or its Subsidiaries is a party to, or has any obligation or other commitment to become a party to, any "off balance sheet arrangement" (as defined in Item 303(a) of Regulation S-K promulgated by the SEC).

(c) Neither BAM nor any of its Subsidiaries has any liabilities of any nature (whether accrued, absolute, contingent or otherwise) that would be required under GAAP, as in effect on the date of this Agreement, to be reflected on a consolidated balance sheet of BAM (including the notes thereto) except liabilities (i) reflected or reserved against in the balance sheet (or the notes thereto) of BAM and its Subsidiaries as of December 31, 2022, included in the Filed SEC Documents, (ii) incurred after December 31, 2022, in the ordinary course of business, (iii) as contemplated by this Agreement or otherwise incurred in connection with the Transactions, (iv) as relate to Taxes or (v) as would not reasonably be expected to prevent or to impede, interfere with,

(d) BAM is, and since November 21, 2022, has been, in compliance in all material respects with the provisions of the Sarbanes-Oxley Act that are applicable to BAM.

(e) No material weaknesses exist with respect to the internal control over financial reporting of BAM that would be required to be disclosed by BAM pursuant to Item 308(a)(3) of Regulation S-K promulgated by the SEC that have not been disclosed in the BAM SEC Documents as filed with or furnished to the SEC prior to the date of this Agreement. BAM maintains a system of internal controls over financial reporting (as defined in Rules 13a-15(f) and 15d-15(f) of the Exchange Act) that is designed to provide reasonable assurances (x) regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with GAAP, (y) that receipts and expenditures of BAM are being made only in accordance with authorizations of management and the directors of BAM and (z) regarding prevention or timely detection of the unauthorized acquisition, use or disposition of BAM's and its Subsidiaries' assets that could have a material effect on BAM's financial statements. BAM has established and maintains disclosure controls and procedures (as such term is defined in Rule 13a-15(e) and Rule 15d-15(e), as applicable, under the Exchange Act) as required by Rule 13a-15 under the Exchange Act, designed to ensure that information required to be disclosed by BAM in the reports that it files and submits under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the SEC's rules and forms, including that the information required to be disclosed by BAM in the reports that it files and submits under the Exchange Act is accumulated and communicated to management of BAM, as appropriate, to allow timely decisions regarding required disclosure and to make the certifications required pursuant to Sections 302 and 906 of the Sarbanes-Oxley Act. Since November 22, 2022, neither BAM nor any of its Subsidiaries has received any written complaint, allegation, assertion or claim regarding the accounting or auditing practices, procedures, methodologies or methods of BAM or any of its Subsidiaries or their respective internal accounting controls or any allegation of fraud that involves management of BAM or any other employee of BAM or any of its Subsidiaries who has a significant role in BAM's internal controls over financial reporting or disclosure controls and procedures. BAM has disclosed, based on its most recent evaluation, to BAM's outside auditors and the audit committee of the Board of Directors of BAM, (i) all significant deficiencies and material weaknesses in the design and operation of internal control over financial reporting which are reasonably likely to adversely affect in any material respect BAM's ability to record, process, summarize and report financial data and (ii) any fraud, whether or not material, that involves management or other employees who have a significant role in BAM's internal control over financial reporting.

(f) BAM is in compliance in all material respects with the applicable listing and corporate governance rules and regulations of the NYSE and the Toronto Stock Exchange ("TSX").

(g) As of the date hereof, except as disclosed in the BAM SEC Documents, within the last twelve (12) months, no event has occurred and no relationship exists that would be required to be reported by BAM pursuant to Item 404 of Regulation S-K.

(a) BAM and each of its Affiliates and their respective officers, directors, and personnel are, and since July 4, 2022, have been, in compliance with all Laws, judgments, decrees and orders of Governmental Authorities and Permits, in each case, applicable to BAM or any of its Affiliates, except as would not reasonably be expected to have a BAM Material Adverse Effect.

(b) Except as would not reasonably be expected to have a BAM Material Adverse Effect neither BAM nor any of its Affiliates is a party to any agreement or settlement with any Governmental Authority, under which it has any ongoing obligations or restrictions, with respect to any actual or alleged violation of any applicable Law.

(c) BAM, each of its Affiliates, and, to the Knowledge of BAM, each of their respective directors, officers, employees, agents, representatives or sales intermediaries (each in their capacities as such) and any other third party acting on behalf of BAM or any of its Affiliates, has, since July 4, 2022, complied with all applicable Specified Business Conduct Laws, except as would not reasonably be expected to have a BAM Material Adverse Effect.

investigations, proceedings, demand letters, settlements or enforcement actions, or made any disclosures to any Governmental Authority, involving BAM or any of its Affiliates, in any way relating to any applicable Specified Business Conduct Laws.

(e) Neither BAM nor any of its Affiliates, nor, to the Knowledge of BAM, any of their respective directors, officers, employees, agents, representatives or sales intermediaries (each in their capacities as such) or any other third party acting on behalf of BAM or any of its Affiliates, is a Sanctioned Person.

(f) Except as would not reasonably be expected to have a BAM Material Adverse Effect, since July 4, 2022, neither BAM nor any of its Affiliates, nor, to the Knowledge of BAM, any of their respective directors, officers, employees, agents, representatives, sales intermediaries or any other third party acting on their behalf, has engaged in any dealings, transactions, activity or conduct with, involving or for the benefit of, any Sanctioned Person in violation of any Specified Business Conduct Laws.

SECTION 6.12. Brokers and Other Advisors. No broker, investment banker, financial advisor or other Person is entitled to any broker's, finder's, financial advisor's or other similar fee or commission in connection with the Transactions based upon arrangements made by or on behalf of BAM, any of its Subsidiaries or any of their respective directors, officers or employees.

The Company shall be liable for any action taken by any Representative of the Company that if taken by the Company would constitute a breach of this Section 7.03. Notwithstanding the foregoing, the Company shall be permitted to waive any standstill provision to allow any Person to make a Takeover Proposal to the Company Board on a non-public basis if the Company Board has determined in good faith, after consultation with the Company's outside legal counsel, that failure to take such action would reasonably be expected to be inconsistent with the directors' fiduciary duties under applicable Law.

(b) Notwithstanding anything contained in Section 7.03(a) or any other provision of this Agreement to the contrary, if at any time prior to obtaining the Required Shareholder Approval the Company receives a bona fide Takeover Proposal, then (i) the Company and its Representatives may contact such Person or group of Persons making the Takeover Proposal to clarify the terms and conditions thereof or to request that any Takeover Proposal made orally be made in writing and (ii) if the Company Board has determined in good faith, after consultation with the Company's financial advisors and outside legal counsel, that such Takeover Proposal constitutes or could reasonably be expected to lead to a Superior Proposal, then the Company and its Representatives may (x) enter into an Acceptable Confidentiality Agreement with the Person or group of Persons making the Takeover Proposal and furnish pursuant thereto information (including non-public information) with respect to the Company and its Subsidiaries to the Person or group of Persons who has made such Takeover Proposal; provided that the Company shall simultaneously provide to Parent any information with respect to the Company and its Subsidiaries that is provided to any Person to the extent access to such information was not previously provided to Parent and its Representatives and (y) after entering into an Acceptable Confidentiality Agreement, engage in or otherwise participate in discussions or negotiations with the Person or group of Persons making such Takeover Proposal. In no event may the Company or any of its Subsidiaries or any of their respective Representatives directly or indirectly reimburse or pay, or agree to reimburse or pay, the fees, costs or expenses of, or provide or agree to provide any compensation to, any Person or group of Persons (or any of its or their representatives or potential financing sources) making a Takeover Proposal in connection with any of the foregoing.

(c) The Company shall promptly (and in any event within forty-eight (48) hours) notify Parent in the event that the Company or any of its Subsidiaries or its or their Representatives receives a Takeover Proposal and shall disclose to Parent a summary of the material terms and conditions of any such Takeover Proposal, including, if applicable, copies of any written requests, proposals or offers, including proposed agreements, but not the identity of the Person or group of Persons making such Takeover Proposal. The Company shall keep Parent reasonably informed on a prompt basis of any material developments with respect to any such Takeover Proposal (including any material changes thereto). For the avoidance of doubt, all information provided to Parent pursuant to this Section 7.03 will be subject to the terms of the Confidentiality Agreement.

(d) Neither the Company Board nor any committee thereof shall (x)(A) withhold or withdraw the Company Board Recommendation, (B) modify, qualify or amend the Company Board Recommendation in a manner adverse to Parent, (C) fail to include the Company Board Recommendation in the Proxy Statement/Prospectus, (D) approve, adopt or publicly endorse or recommend any Takeover Proposal, (E) refrain from recommending against any Takeover Proposal that is a tender offer or exchange offer, within 10 business days after the commencement of such tender offer or exchange offer pursuant to Rule 14d-2 of the Exchange Act (or such fewer number of business days as remain prior to the Company Shareholders Meeting as it may be adjourned or postponed) or (F) fail to publicly reaffirm the Company Board Recommendation within 10 business days after receipt of a written request by Parent to make such public reaffirmation following the receipt by the Company of a Takeover Proposal that has not been withdrawn (or, if the Company Shareholders Meeting is scheduled to be held within 10 business days of such request, within five business days of such request and in any event, prior to the date of the Company Shareholders Meeting) (other than in the case of a Takeover Proposal in the form of a tender offer or exchange offer which shall be governed by clause (D)); provided that Parent may make any such request only once in any 10 business day period and only once for each such Takeover Proposal and once for each material amendment to such Takeover Proposal (any prohibited action described in this clause (x) being referred to as an “Adverse Recommendation Change”) or (y) authorize, cause or permit the Company or any of its Subsidiaries to execute or enter into any letter of intent, memorandum of understanding, agreement in principle, merger agreement, acquisition agreement, amalgamation agreement or other similar agreement related to any Takeover Proposal, other than any Acceptable Confidentiality Agreement pursuant to Section 7.03(b) (each, a “Company Acquisition Agreement”). Notwithstanding the foregoing or any other provision of this Agreement to the contrary, prior to the time the Required Shareholder Approval is obtained, the Company Board may:

(i) in response to an Intervening Event, if the Company Board has determined in good faith, after consultation with the Company’s financial advisors and outside legal counsel, that failure to take such action would be inconsistent with the directors’ fiduciary duties under applicable Law, make an Adverse Recommendation Change; and

(ii) in response to a Superior Proposal, if the Company Board has determined in good faith, after consultation with the Company’s financial advisors and outside legal counsel, that failure to take such action would be inconsistent with the directors’ fiduciary duties under applicable Law, (A) make an Adverse Recommendation Change or (B) cause the Company to terminate this Agreement pursuant to Section 9.01(d)(ii) and enter into a Company Acquisition Agreement with respect to such Superior Proposal;

provided that the Company has given Parent at least five business days’ prior written notice (a “Company Notice”) of its intention to make an Adverse Recommendation Change or has caused the Company to terminate this Agreement pursuant to Section 9.01(d)(ii), which notice (I) in the case of an Intervening Event, specifies the material

effects, changes or events comprising such Intervening Event and (II) in the case of a Superior Proposal, discloses (1) the material terms and conditions of such Superior Proposal and the identity of the Person or group of Persons making such Superior Proposal and (2) a copy of the most current version of the Company Acquisition Agreement (if any) with respect to such Superior Proposal; provided, further, that, (X) during such five business day period (it being understood and agreed that any change to the financial or other material terms and conditions of a Superior Proposal shall require an additional Company Notice to Parent of two business days running from the date of such notice), the Company shall have, and shall have caused its Representatives to, negotiate with Parent in good faith (to the extent Parent wishes to negotiate) to make such amendments to the terms and conditions of this Agreement as would enable the Company Board to no longer make an Adverse Recommendation Change or a determination that a Takeover Proposal constitutes a Superior Proposal and (Y) the Company Board shall have determined following the end of such five business day period (as it may be extended pursuant to this Section 7.03(d)), after considering the results of such negotiations and any amendments to this Agreement, the Guaranty and/or the Voting Agreement committed to in writing by Parent, if any, and any other information offered by Parent, after consultation with the Company's financial advisors and outside legal counsel, (i) that the Superior Proposal giving rise to such Company Notice continues to be a Superior Proposal or (ii) that failure to make an Adverse Recommendation Change in respect of the applicable Intervening Event would continue to be inconsistent with the directors' fiduciary duties under applicable Law.

(e) Nothing contained in this Section 7.03 or elsewhere in this Agreement shall prohibit the Company or the Company Board or any committee thereof from (i) taking and disclosing to shareholders of the Company a position or communication contemplated by Rule 14e-2(a), Rule 14d-9 or Item 1012(a) of Regulation M-A promulgated under the Exchange Act (it being understood that any such communication to the shareholders of the Company shall not be deemed to be an Adverse Recommendation Change) or (ii) making any disclosure or communication to shareholders of the Company that the Company Board determines in good faith, based on the advice of its outside legal counsel, is required by the directors' fiduciary duties, applicable Law or the rules and policies of the NYSE.

(f) As used in this Section 7.03, "group" has the meaning ascribed to it in Rule 13d-5 promulgated under the Exchange Act.

SECTION 7.04. Preparation of the Proxy Statement/Prospectus, Form F-4; Shareholders Meeting and Approval.

(a) As soon as reasonably practicable following the date of this Agreement, the Company shall prepare and file with the SEC the Proxy Statement/Prospectus and Parent and BAM shall prepare and file with the SEC the Form F-4, in each case, in preliminary form. The Proxy Statement/Prospectus will be included in and will constitute a part of the Form F-4. Parent, BAM and the Company shall make available to each other all information, and provide such other assistance, as may be reasonably requested in connection with the preparation, filing and distribution of the

Proxy Statement/Prospectus and the Form F-4. Such information and assistance shall include, if requested by Parent or BAM, the provision of such financial statements or other information of the Company and the Company Subsidiaries that are required to be included or incorporated by reference into the Form F-4, and BAM and the Company shall use reasonable best efforts, in each case, to cause their auditors (and any other current or former auditors of BAM or any BAM Subsidiary or the Company or any Company Subsidiary, as the case may be) to deliver any required consents in respect of any financial statements of BAM or any BAM Subsidiary or the Company or any Company Subsidiary, as the case may be, to be included or incorporated by reference into the Form F-4. The Company hereby consents to the inclusion or incorporation by reference into the Form F-4 of any financial statements or other information relating to the Company or any Company Subsidiary required to be included or incorporated by reference therein. Each of Parent, BAM and the Company shall use its reasonable best efforts to respond as promptly as reasonably practicable to any comments of the SEC with respect thereto and to have the Proxy Statement/Prospectus cleared by the SEC, and the Form F-4 declared effective by the SEC, in each case as promptly as reasonably practicable. Parent, BAM and the Company shall notify each other promptly of the receipt of any comments from the SEC or its staff and of any request by the SEC or its staff for amendments or supplements to the Proxy Statement/Prospectus or Form F-4 or for additional information and promptly shall supply each other with copies of all correspondence between it or any of its Representatives, on the one hand, and the SEC or its staff, on the other hand, with respect to the Proxy Statement/Prospectus or Form F-4. Notwithstanding the foregoing, prior to filing or mailing the Proxy Statement/Prospectus or Form F-4 (or any amendment or supplement thereto) or responding to any comments of the SEC with respect thereto, each of Parent, BAM and the Company, as the case may be, (i) shall provide the other party with a reasonable opportunity to review and comment on such document or response (including the proposed final version of such document or response), (ii) shall consider in good faith all comments reasonably proposed by such other party and (iii) shall not file or mail such document or respond to the SEC prior to receiving such other party's approval, which approval shall not be unreasonably withheld, conditioned or delayed. Each of the Company and the Parent Entities shall advise the other, promptly after receipt of notice thereof, of the time of effectiveness of the Form F-4, the issuance of any stop order relating thereto or the suspension of the qualification of the shares of BAM Class A Stock to be issued as Stock Consideration for offering or sale in any jurisdiction, and each of the Company, Parent and BAM will use its reasonable best efforts to have any such stop order or suspension lifted, reversed or otherwise terminated. Each of the Company and the Parent Entities will also take any other action (other than qualifying to do business in any jurisdiction in which it is not now so qualified) required to be taken under the Securities Act, the Exchange Act, any applicable state securities or "blue sky" laws and the rules and regulations thereunder in connection with the Transactions.

(b) If, prior to (i) receipt of the Required Shareholder Approval in the case of the Proxy Statement/Prospectus or (ii) the Effective Time in the case of the Form F-4, any event or change occurs that is required to be described in an amendment of, or a supplement to, the Proxy Statement/Prospectus or Form F-4, BAM, Parent or the Company, as the case may be, shall promptly notify the other party of such event or

change, and BAM, Parent and the Company shall cooperate to promptly prepare and file with the SEC any necessary amendment or supplement to the Proxy Statement/Prospectus or Form F-4 and, as required by applicable Law, disseminate the information contained in any such amendment or supplement to the Proxy Statement/Prospectus or Form F-4 to the Company's shareholders.

(c) Subject to Section 7.04(a), the Company shall take all necessary actions in accordance with applicable Law, the Company Organizational Documents and the rules of the NYSE to establish a record date for, duly call, give notice of, convene and hold a meeting of its shareholders (including any adjournment, recess, reconvening or postponement thereof, the "Company Shareholders Meeting") for the purpose of obtaining the Required Shareholder Approval, as soon as reasonably practicable after the Form F-4 is declared effective under the Securities Act. The Company shall not change the record date for the Company Shareholders Meeting without the prior written consent of Parent (not to be unreasonably withheld, conditioned or delayed). In furtherance of the foregoing and in consultation with Parent, as soon as reasonably practicable after the date hereof, the Company shall set one or more preliminary record dates for the Company Shareholders Meeting and commence a broker search pursuant to Section 14a-13 of the Exchange Act. Subject to Section 7.03, the Company shall use its reasonable best efforts to obtain the Required Shareholder Approval. Notwithstanding anything to the contrary in this Agreement, the Company may, in its sole discretion, adjourn, recess, reconvene or postpone the Company Shareholders Meeting if the Company reasonably believes that (i) such adjournment, recess, reconvening or postponement is necessary to ensure that any required supplement or amendment to the Proxy Statement/Prospectus is provided to the Company's shareholders within a reasonable amount of time in advance of the Company Shareholders Meeting, (ii) after consultation with Parent, at the time of the Originally Scheduled Date, (A) there will be an insufficient number of shares of Common Stock present (either in person or by proxy) to constitute a quorum necessary to conduct the business of the Company Shareholders Meeting or (B) there will be an insufficient number of proxies to obtain the Required Shareholder Approval or (iii) such adjournment, recess, reconvening or postponement is required by Law or a court or other Governmental Authority of competent jurisdiction in connection with any Actions in connection with this Agreement or the Transactions or has been requested by the SEC or its staff; provided that, in the case of an adjournment, recess, reconvening or postponement pursuant to clause (ii) of this Section 7.04(c), the Company Shareholders Meeting shall not be adjourned, recessed, reconvened or postponed (x) to a date later than the third business day preceding the Outside Date or (y) for more than 15 business days from the Originally Scheduled Date, in each case, without the prior written consent of Parent. The Company shall keep Parent updated with reasonable frequency with respect to proxy solicitation results with respect to obtaining the Required Shareholder Approval.

(d) Subject to the provisions of Section 7.03, the Company shall use its reasonable best efforts to solicit from its shareholders proxies in favor of the approval of this Agreement and the Merger and use its reasonable best efforts to take all other actions reasonably necessary or advisable to secure the Required Shareholder Approval (to the extent permitted by Law). Without limiting the generality of the foregoing, if, at the time of the Originally Scheduled Date, (A) there will be an insufficient number of

Common Stock present (either in person or by proxy) to constitute a quorum necessary to conduct the business of the Company Shareholders Meeting or (B) there will be an insufficient number of proxies to obtain the Required Shareholder Approval, then the Company shall, at the request of Parent (to the extent permitted by Law) adjourn, recess, reconvene or postpone the Company Shareholders Meeting; provided that the Company shall not be required pursuant to this sentence to adjourn the Company Shareholders Meeting more than two times or for more than 15 business days in the aggregate from the Originally Scheduled Date. Without the prior written consent of Parent (not to be unreasonably withheld, conditioned or delayed), the approval of this Agreement and Transactions shall be the only matters (other than matters of procedure and matters required by Law to be voted on by the shareholders of the Company in connection with the approval of this Agreement and the Transactions) that the Company shall propose to be acted on by the shareholders of the Company at the Company Shareholders Meeting. The Company agrees that, unless this Agreement shall have been terminated in accordance with Article IX, the Company's obligations to hold the Company Shareholders Meeting pursuant to this Section 7.04 shall not be affected by the commencement, public proposal, public disclosure or communication to the Company of any Takeover Proposal or by any Adverse Recommendation Change.

SECTION 7.05. Reasonable Best Efforts.

(a) Subject to the terms and conditions of this Agreement, each of Parent, Merger Sub and the Company shall, and shall cause its respective Affiliates, to, use its reasonable best efforts to (i) take, or cause to be taken, all actions, and do, or cause to be done, and assist and cooperate with each other party in doing, all things necessary, proper or advisable to cause the conditions to Closing to be satisfied as promptly as reasonably practicable (including, without limitation, with respect to obtaining all applicable regulatory approvals and consents) and to consummate and make effective, in the most expeditious manner reasonably practicable, the Merger, including (A) using reasonable best efforts to prepare and file promptly and fully all documentation to effect all necessary filings, notices, petitions, statements, registrations, submissions of information, applications and other documents and (B) using reasonable best efforts to execute and deliver any additional instruments necessary, proper or advisable to consummate the Transactions, (ii) obtain all Consents from any Governmental Authority or third party necessary, proper or advisable to consummate the Transactions (including any such Consents required with respect to the Company Insurance Approvals, the Parent Insurance Approvals and under applicable Antitrust Laws), including by providing (following a reasonable opportunity for consultation) to a Governmental Authority any information requested by such Governmental Authority in connection with such Consents, and (iii) take any and all steps that are necessary, proper or advisable to avoid each and every impediment under any applicable Law that may be asserted by, or Action that may be entered by, any Governmental Authority with respect to this Agreement or the Transactions, as promptly as practicable. In accordance with Section 10.12, each party shall bear its own costs and expenses for making its respective filings with, and obtaining its respective Consents from, Governmental Authorities.

(b) In furtherance and not in limitation of the foregoing, the Company and Parent shall each use its reasonable best efforts to (i) take all actions necessary to ensure that no Takeover Law is or becomes applicable to any of the Transactions or this Agreement and refrain from taking any actions that would cause the applicability of such Laws and (ii) if the restrictions of any Takeover Law become applicable to any of the Transactions, take all actions necessary to ensure that the Transactions may be consummated as promptly as practicable on the terms contemplated by this Agreement and otherwise lawfully minimize the effect of such Takeover Law on the Transactions.

(c) Without limiting the general applicability of Section 7.05(a), each of the Company and Parent shall, in consultation and cooperation with the other and as promptly as practicable and in no event later than 30 business days following the date of this Agreement, file (i) with the United States Federal Trade Commission and the Antitrust Division of the United States Department of Justice the notification and report form, if any, required under the HSR Act with respect to the Transactions, (ii) all appropriate documents, forms, filings or submissions required under any non-U.S. Antitrust Laws and (iii) with applicable Insurance Regulators, all documents, forms, filings or other submissions required under applicable Insurance Laws with respect to the Merger, or otherwise requested by domiciliary Insurance Regulators of any of the Company Insurance Subsidiaries (other than to the extent required, biographical affidavits, fingerprint cards and background checks, which shall follow as promptly as reasonably practicable thereafter), including as reasonably determined by Parent in consultation with the Company, “Form A” exemption requests or equivalent exemption requests where available; provided that Parent shall not submit a “Form A” exemption request or equivalent exemption request to an Insurance Regulator that has requested to receive a “Form A” Acquisition of Control Statement in connection with the Transactions. All such filings shall comply in all material respects with the requirements of applicable Law. Without limiting Parent’s other obligations in this Section 7.05, Parent shall use its reasonable best efforts to direct (i) the Persons specified in Section 7.05(c) of the Parent Disclosure Letter to provide the Filing Person Information and (ii) the Persons specified in Section 7.05(c) of the Parent Disclosure Letter to provide the Disclaiming Person Information.

(d) Without limiting the general applicability of Section 7.05(a), the Company shall use its reasonable best efforts to cause the Broker-Dealer Subsidiary to file, promptly after the date hereof, the Rule 1017 Application with FINRA and shall use its reasonable best efforts to obtain FINRA’s approval of such application. Parent will provide, as promptly as practicable following a request therefor, the Company, the Broker-Dealer Subsidiary, their counsel or FINRA, as applicable, with such information and documentation pertaining to Parent as are reasonably requested by the Company, its counsel or FINRA in order to prepare the Rule 1017 Application or obtain approval thereof.

(e) Each of the Company, Parent and Merger Sub shall consult with one another with respect to the obtaining of all Consents from any Governmental Authority necessary, proper or advisable to consummate the Transactions and each of the Company, Parent and Merger Sub shall keep the others reasonably apprised on a prompt

basis of the status of matters relating to such Consents. The Company and Parent shall have the right to review in advance and, subject to any restrictions under applicable Law, each shall consult the other on, any filing made with, or written materials submitted to, any Governmental Authority in connection with the Transactions and each party agrees to in good faith consider and reasonably accept comments of each other party thereon. Parent and the Company shall promptly furnish to each other copies of all such filings and written materials after their filing or submission, in each case subject to applicable Laws. The Company and Parent shall promptly advise each other upon receiving any communication from any Governmental Authority with respect to any filing or Consent necessary, proper or advisable to consummate the Transactions, including promptly furnishing each other copies of all written or electronic communications from or with such Governmental Authorities, and shall promptly advise each other when any such communication causes such party to believe that there is a reasonable likelihood that any such Consent will not be obtained or that the receipt of any such Consent will be materially delayed or conditioned. The Company and Parent shall not, and shall cause their respective Affiliates not to, permit any of their respective Representatives to participate in any meeting or engage in any conversation (other than non-substantive or administrative telephone calls) with any Governmental Authority in respect of any filings, investigation or other inquiry relating to the Transactions unless it consults with the other in advance and, to the extent permitted by applicable Law and by such Governmental Authority, gives the other party the opportunity to attend and participate in such meeting or conversation. If any Governmental Authority requires that a hearing or meeting be held in connection with the Consent thereof or the Transactions, Parent shall use its reasonable best efforts to arrange for such hearing or meeting to be held as promptly as practicable after the notice that such hearing or meeting is required has been received by Parent, its Subsidiaries or any other Affiliates. Notwithstanding the foregoing, in no event will any party be required to disclose to any other party any Personal Information.

(f) Notwithstanding anything to the contrary set forth in this Agreement, Parent shall not be obligated by a Governmental Authority in connection with a Required Regulatory Approval to take or refrain from taking or to agree to it, its Subsidiaries or the Company or its Subsidiaries taking or refraining from taking any action (including any amendment, waiver or termination of any agreement, exhibit or schedule, including this Agreement and the Exhibits and Schedules to this Agreement) or to suffer to exist any limitation, action, restriction, condition or requirement which, individually or together with all other such limitations, actions, restrictions, conditions or requirements by a Governmental Authority in connection with a Required Regulatory Approval, would, or would reasonably be expected to, (i) impose any requirement on BN, BAM or any of their respective Affiliates to make, or commit to make, any capital contribution or enter into or issue any capital guarantee or keepwell, (ii) impose any requirement on Parent or any of its Subsidiaries to make, or commit to make, any material capital contribution or enter into or issue any material capital guarantee or material keepwell, (iii) impose any requirement on BN, BAM or any of their respective Affiliates to sell, license, assign, transfer, divest, hold separate or otherwise dispose of, before or after the Closing, any assets or businesses, (iv) impose any requirement on Parent or any of its Subsidiaries to sell, license, assign, transfer, divest, hold separate or

otherwise dispose of, before or after the Closing, any material assets or material businesses, (v) impose any limitation, action, restriction, condition or requirement on any of BN, BAM or any of their respective Affiliates, investment funds, permanent capital vehicles, or other collective investment vehicles or portfolio companies of the foregoing, (vi) impose any limitation, action, restriction, condition or requirement on Parent or any of its Subsidiaries that is material and adverse to Parent and its Subsidiaries, taken as a whole, or (vii) impose any limitation, action, restriction, condition or requirement on the business or operations of Company or any of its Subsidiaries following the Closing that would constitute a Company Material Adverse Effect (each, a “Burdensome Condition”). Without the prior written consent of Parent, the Company shall not (and shall cause its Subsidiaries not to) take any action or agree to the taking or refraining from any action or accept any limitation, action, restriction, condition or requirement that, individually or in the aggregate, would, or would be reasonably expected to, result in a Burdensome Condition.

SECTION 7.06. Public Announcements. The Company and Parent shall agree on a press release announcing the entering into of this Agreement and the Transactions. Thereafter, the Company and Parent shall consult with each other before issuing any press release or otherwise making any public statements (including scheduling of a press conference or conference call with investors or analysts) with respect to this Agreement or any of the Transactions and shall not issue any such press release or make any such public statement without the prior consent of the other party, which consent shall not be unreasonably withheld, conditioned or delayed; provided, however, that a party may, without the prior consent of the other party, issue such press release or make such public statement (a) as may be required by Law or order, the applicable rules and regulations of the NYSE or any listing agreement with the NYSE, but only if such party provides the other party an opportunity to first review the content of the proposed disclosure considers such other party’s comments thereon in good faith, (b) with respect to any Adverse Recommendation Change made in accordance with this Agreement or (c) if such press release or public statement is not materially inconsistent in tone or substance with previous press releases or public statements made by such party in compliance with this Section 7.06.

SECTION 7.07. Access to Information; Confidentiality. Subject to applicable Law, upon reasonable notice, the Company shall afford to Parent and Parent’s Representatives reasonable access during normal business hours to the Company’s officers, employees, properties, books, Contracts and records, and the Company shall furnish to Parent and Parent’s Representatives such information concerning its business, personnel, assets, liabilities and properties as Parent may reasonably request; provided that Parent and its Representatives shall conduct any such activities in such a manner as not to interfere unreasonably with the business or operations of the Company; provided, further, however, that the Company shall not be obligated to provide such access or information if the Company determines, in good faith and in its reasonable judgment, that doing so could violate applicable Law or a Contract or obligation of confidentiality owing to a third party, waive the protection of an attorney-client privilege or other legal privilege or expose the Company to risk of liability for disclosure of Personal Information. Without limiting the foregoing, in the event that the Company does not

provide access or information in reliance on the immediately preceding sentence, it shall provide notice to Parent that it is withholding such access or information and shall use its reasonable best efforts to communicate, to the extent feasible, the applicable information in a way that would not violate the applicable Law, Contract or obligation, risk waiver of such privilege or expose the Company to such risk, including through the use of customary “clean room” or other similar procedures designed to limit the disclosure of competitively sensitive information. All requests for information made pursuant to this Section 7.07 shall be directed to the Person designated by the Company. Until the Closing, the information provided will be subject to the terms of the Confidentiality Agreement, dated as of June 2, 2023, by and between the Company and Parent (as may in the future be amended from time to time, the “Confidentiality Agreement”); provided that, prior to the Effective Time, nothing in this Section 7.07 shall limit any customary disclosures made by Parent or any of its Subsidiaries to the Debt Financing Sources, rating agencies, prospective Debt Financing Sources, underwriters, existing lenders (and related agents) or otherwise in connection with efforts or activities by Parent, any of its Subsidiaries or the Debt Financing Sources to obtain the Debt Financing, so long as such recipients agree to customary confidentiality arrangements (which may include customary “click through” confidentiality agreements and/or confidentially provisions contained in marketing materials used in connection with the Debt Financing).

SECTION 7.08. Indemnification and Insurance.

(a) From and after the Effective Time, the Surviving Company shall, and Parent shall cause the Surviving Company to, (i) indemnify and hold harmless each individual who at the Effective Time is, or at any time prior to the Effective Time was, a director or officer of the Company or of a Subsidiary of the Company (each, together with such Person’s heirs, executors and administrators, an “Indemnitee”) with respect to all claims, liabilities, losses, damages, judgments, fines, penalties, costs (including amounts paid in settlement or compromise) and expenses (including fees and expenses of legal counsel) in connection with any Action (whether civil, criminal, administrative or investigative), whenever asserted, based on or arising out of, in whole or in part, (A) the fact that an Indemnitee is or was a director or officer of the Company or such Subsidiary or (B) acts or omissions by an Indemnitee in the Indemnitee’s capacity as a director, officer, employee or agent of the Company or such Subsidiary or taken at the request of the Company or such Subsidiary (including in connection with serving at the request of the Company or such Subsidiary as a director, officer, employee, agent, trustee or fiduciary of another Person (including any employee benefit plan)), in each case under clause (A) or (B), at, or at any time prior to, the Effective Time (including any Action relating in whole or in part to the Transactions or relating to the enforcement of this provision or any other indemnification or advancement right of any Indemnitee), to the fullest extent permitted under applicable Law and (ii) assume all obligations of the Company and such Subsidiaries to the Indemnitees in respect of indemnification and exculpation from liabilities for acts or omissions occurring at or prior to the Effective Time as provided in the Company Organizational Documents and the organizational documents of such Subsidiaries as in effect on the date of this Agreement or in any agreement in existence as of the date of this Agreement providing for indemnification between the Company or any of its Subsidiaries and any Indemnitee. Without limiting

the foregoing, Parent, from and after the Effective Time, shall cause, to the fullest extent permitted under applicable Law, the articles of incorporation and bylaws of the Surviving Company to contain provisions no less favorable to the Indemnitees with respect to limitation of liabilities of directors and officers and indemnification than are set forth as of the date of this Agreement in the Company Organizational Documents, which provisions shall not be amended, repealed or otherwise modified in a manner that would adversely affect the rights thereunder of the Indemnitees. In addition, from the Effective Time, Parent shall cause the Surviving Company to advance the reasonable and documented expenses (including reasonable and documented fees and expenses of legal counsel) of any Indemnitee under this Section 7.08 (including in connection with enforcing the indemnity and other obligations referred to in this Section 7.08) as incurred to the fullest extent permitted under applicable Law; provided that the individual to whom expenses are advanced provides an undertaking to repay such advances if it shall be finally determined by a court of competent jurisdiction that such Person is not entitled to be indemnified pursuant to this Section 7.08(a).

(b) Neither Parent nor the Surviving Company shall settle, compromise or consent to the entry of any judgment in any threatened or actual Action, litigation, claim or proceeding relating to any acts or omissions covered under this Section 7.08 (each, a “Claim”) for which indemnification has been sought by an Indemnitee hereunder, unless such settlement, compromise or consent includes an unconditional release of such Indemnitee from all liability arising out of such Claim or such Indemnitee otherwise consents in writing to such settlement, compromise or consent. Each of Parent, the Surviving Company and the Indemnitees shall cooperate in the defense of any Claim and shall provide access to properties and individuals as reasonably requested and furnish or cause to be furnished records, information and testimony, and attend such conferences, discovery proceedings, hearings, trials or appeals, as may be reasonably requested in connection therewith.

(c) The Company may, prior to the Effective Time, purchase or, if not so purchased by the Company, Parent shall cause the Surviving Company to put in place effective as of the Effective Time, and Parent or the Company, as applicable, shall fully prepay no later than immediately prior to the Closing, prepaid and non-cancellable “tail” insurance with a claims reporting or discovery period of six years from the Effective Time on terms and conditions providing at least equivalent benefits and coverage as the directors’ and officers’ liability, employment practices liability and fiduciary liability insurance of the Company and its Subsidiaries in effect as of the Effective Time (“Current D&O Insurance”) with respect to matters existing or occurring at or prior to the Effective Time, including the Transactions, and Parent shall cause such policy to be maintained in full force and effect without amendment to any of the policies’ terms and conditions, for their full term, and to honor all of the Surviving Company’s obligations thereunder; provided, however, that Parent may elect in its sole discretion, but shall not be required, to spend (or cause the Surviving Company to spend) more than 350% of the Current D&O Insurance annual premium (the “Cap Amount”) with respect to the annual premium for the six years of coverage under such “tail” policies; provided, further, that if the cost of such insurance exceeds the Cap Amount, and Parent elects not to spend more than the Cap Amount for such purpose, then Parent shall purchase and obtain insurance

with the greatest coverage available for a cost equal to such Cap Amount. If such “tail” insurance has been obtained by the Company, it shall be deemed to satisfy all obligations to obtain insurance pursuant to this Section 7.08(c), and Parent shall cause the Surviving Company to cause such “tail” insurance to be maintained in full force and effect without amendment to any of the policies’ terms and conditions, for their full term, and to honor all of the Surviving Company’s obligations thereunder.

(d) The provisions of this Section 7.08 are (i) intended to be for the benefit of, and shall be enforceable by, each Indemnitee and his or her heirs and (ii) in addition to, and not in substitution for, any other rights to indemnification or contribution that any such individual may have under the Company Organizational Documents, by contract or otherwise.

(e) In the event that Parent, the Surviving Company or any of their respective successors or assigns (i) consolidates or amalgamates with or merges into any other Person and is not the continuing or surviving company or entity of such consolidation, amalgamation or merger or (ii) transfers or conveys all or substantially all of its properties and assets to any Person, then, and in each such case, proper provision shall be made so that the successors and assigns of Parent or the Surviving Company shall assume all of the obligations thereof set forth in this Section 7.08.

(f) Nothing in this Agreement is intended to, shall be construed to or shall release, waive or impair any rights to directors’ and officers’ insurance claims under any policy that is or has been in existence with respect to the Company or any of its Subsidiaries for any of their respective directors, officers or other employees, it being understood and agreed that the indemnification provided for in this Section 7.08 is not prior to or in substitution for any such claims under such policies.

SECTION 7.09. Rule 16b-3. Prior to the Effective Time, the Company shall take such steps as may be reasonably necessary or advisable to cause any dispositions of Company equity securities (including derivative securities) resulting from the Transactions by each individual who is a director or officer of the Company subject to the reporting requirements of Section 16 of the Exchange Act (or who will become subject to the reporting requirements of Section 16 of the Exchange Act as a result of the Transactions) to be exempt under Rule 16b-3 promulgated under the Exchange Act.

SECTION 7.10. Employee Matters.

(a) For a period of one year following the Effective Time (or such longer period required by applicable Law), Parent shall provide, or shall cause the Surviving Company to provide, each individual who is employed by the Company or any of its Subsidiaries immediately prior to the Effective Time (each, a “Company Employee”) and continues to be employed with the Company and its Subsidiaries with (i) an annual base salary or annualized wage rate (as applicable) that is no less than the annual base salary or annualized wage rate (as applicable) provided to such Company Employee by the Company and any of its Subsidiaries immediately prior to the Effective Time, (ii) target short-term cash incentive opportunities that are no less favorable than

those provided to such Company Employee by the Company and any of its Subsidiaries immediately prior to the Effective Time, (iii) target long-term incentive opportunities (including deferred cash and equity and equity-based incentive opportunities, but excluding any change in control and retention or other non-recurring compensation) that are no less favorable than the target long-term incentive opportunities (including deferred cash and equity and equity-based incentive opportunities) provided to such Company Employee by the Company and any of its Subsidiaries immediately prior to the Effective Time; subject to the conditions set forth in Item 1 of Section 7.10(a) of the Company Disclosure Letter; (iv) compensation and benefits provided in connection with the Company ESOP no less than the compensation and benefits provided in connection with the Company ESOP to such Company Employee by the Company and any of its Subsidiaries immediately prior to the Effective Time; provided, however that the foregoing clause (iv) may be satisfied by (A) contributions to other defined contribution plans, (B) equity or equity-based awards or (C) cash payments, and (v) other employee benefits (excluding non-qualified deferred compensation, defined benefit pension, post-employment health and welfare benefits and change in control, retention or other non-recurring compensation and benefits) that are substantially comparable in the aggregate to those provided to such Company Employee by the Company and any of its Subsidiaries immediately prior to the Effective Time.

(b) For a period of one year following the Effective Time, Parent shall honor and provide, or shall cause the Surviving Company to honor and provide, for each Company Employee (except as provided otherwise in Section 7.01(a)(vi) of the Company Disclosure Letter), severance and termination benefits in an amount equal to the severance and termination benefits that would have been provided to such Company Employee under the Transition Benefit Plan as in effect immediately prior to the Effective Time if such Company Employee experiences a termination of employment pursuant to which severance would be owed from the Company under such plan if the termination of employment had occurred immediately prior to the Effective Time (but including, for the avoidance of doubt, any changes to such benefits as a result of credit for such Company Employee's service with Parent and its Subsidiaries in accordance with Section 7.10(d) or any increases in a Company Employee's base salary or annualized wage rate or cash incentive bonus opportunities (excluding, for the avoidance of doubt, long-term incentives (including equity and equity-based incentive opportunities) during the one year following the Effective Time)).

(c) With respect to the employee benefit plans maintained by Parent or its Subsidiaries (including, following the Closing, the Surviving Company and its Subsidiaries and Affiliates) in which the Company Employee is eligible to participate on or following the Effective Time (including any paid time off and severance plans) and subject to applicable Law, for purposes of determining eligibility to participate, level of benefits and vesting, the Surviving Company shall cause each Company Employee's service with the Company or any of its Subsidiaries (as well as service with any predecessor employer of the Company or any such Subsidiary, to the extent service with the predecessor employer was recognized by the Company or such Subsidiary) to be treated as service with the Surviving Company or any of its Subsidiaries or its Affiliates; provided, however, that such service need not be recognized (i) for benefit accruals under

any defined benefit pension plan, (ii) for purposes of any post-employment welfare benefit plan or (iii) to the extent that such recognition would result in any duplication of benefits.

(d) Parent shall, or shall cause the Surviving Company to use commercially reasonable efforts to, (i) waive, or cause to be waived, any pre-existing condition limitations and exclusions and (ii) waive, or cause to be waived, any actively-at-work requirements and waiting periods, in each case, under any welfare benefit plan maintained by Parent (including, following the Closing, the Surviving Company or any of its Subsidiaries or Affiliates) in which Company Employees (and their eligible dependents) will be eligible to participate from and after the Effective Time, except to the extent that such pre-existing condition limitations, exclusions, actively-at-work requirements and waiting periods would not have been satisfied or waived under the comparable Company Plan immediately prior to the Effective Time. Parent shall, or shall cause the Surviving Company or any of its Affiliates to, use commercially reasonable efforts to recognize the dollar amount of all co-payments, deductibles and out-of-pocket expenses incurred by each Company Employee (and his or her eligible dependents) during the calendar year in which the Effective Time occurs for purposes of satisfying such year's deductible and co-payment limitations under the relevant welfare benefit plans in which they will be eligible to participate from and after the Effective Time.

(e) The parties agree that the consummation of the Transactions shall constitute a "change in control," "change of control" or term of similar import under each applicable Company Plan; provided that, for purposes of any such plans that provide for deferred compensation within the meaning of Section 409A of the Code, the foregoing shall not accelerate the time of payment or distribution of any such deferred compensation (but shall accelerate vesting if provided for in accordance with the terms thereof) if the transactions contemplated by this Agreement do not otherwise constitute a "change in control," "change of control" or term of similar import under the applicable plan and to so declare as a "change in control," "change of control" or term of similar import would result in an impermissible payment or distribution for purposes of Section 409A of the Code.

(f) Prior to making any broad-based written communications to the directors, officers or employees of the Company or any of its Subsidiaries pertaining to any compensation or benefit matters related to the Transactions or any other matter contemplated hereunder, whether relating to employment, employee benefits, including Company Plans, and post-Closing terms of employment or otherwise, the Company shall consult with Parent and consider Parent's comments to such communication in good faith.

(g) No later than 15 business days following the date of this Agreement, the Company shall deliver to Parent a complete and correct list of each Company Employee, as of the date of this Agreement including, with respect to each such individual, the following information, as applicable: (i) name (or other unique identifier), (ii) job title, (iii) date of hire and work location (city and state, if applicable),

(iv) exempt or non-exempt classification status under the Fair Labor Standards Act, (v) leave of absence status and anticipated date of return, if known, (vi) annual base salary or annualized base wage rate (as applicable), (vii) annual target short-term incentive or bonus compensation opportunities for the current fiscal year (on a plan-by-plan basis) and (viii) target long-term incentive compensation opportunities (on a plan-by-plan basis) (the “Company Employee List”). The Company shall deliver to Parent an updated Company Employee List no later than five (5) days prior to the Effective Time to reflect any changes in accrued but unused vacation, terminations and new hires and reallocations not in violation of this Agreement or as otherwise consented to by Parent.

(h) No later than 15 business days following the date of this Agreement, the Company shall deliver to Parent a complete and accurate list of each outstanding Company Award, including: (i) on an employee-by-employee basis, the name (or other unique identifier) of the holder of such outstanding Company Award; (ii) on an award-by-award basis, the number of Common Stock subject to or underlying such outstanding Company Award (with the number of Common Stock underlying Performance-Vesting Company Options and Company PSUs, in each case, reported assuming each such Company Award’s target level of performance); and (iii) the date on which such outstanding Company Award was granted or issued.

(i) If requested by Parent in writing no later than 10 business days prior to the Effective Time, with respect to the Company 401(k) Plan, the Company Board (or, if appropriate, any committee thereof administering such Company 401(k) Plan) shall adopt such resolutions or take such other actions as may be required to terminate, effective at least one day prior to the Effective Time, such Company 401(k) Plan. Prior to the Effective Time, the Company shall provide Parent with executed resolutions of the Company Board (or the appropriate committee thereof) authorizing such termination. As soon as practicable after the Effective Time, the Company shall cause, to the extent permitted by Section 401(k)(10) of the Code, the Company 401(k) Plan administrator to make distributions available to the Company 401(k) Plan participants. In connection with any termination of the Company 401(k) Plan, Parent shall permit each Company Employee who is a participant in the Company 401(k) Plan to (i) become a participant in a 401(k) plan of Parent that is an “eligible retirement plan” (within the meaning of Section 401(a)(31) of the Code) (the “Parent 401(k) Plan”) immediately after the Effective Time and (ii) to make rollover contributions of “eligible rollover distributions” (within the meaning of Section 401(a)(31) of the Code, including all participant loans) in cash or notes (in the case of participant loans) in an amount equal to the eligible rollover distribution portion of the account balance distributed to each such Company Employee from the Company 401(k) Plan to the Parent 401(k) Plan effective as of the Closing Date.

(j) To the extent permitted by applicable Law, the Trustee and the Company shall take or cause to be taken all such actions as may be necessary to effect the actions set forth below relating to the Company ESOP prior to or simultaneous with the Closing, as applicable: (i) effective at least five business days prior to the Closing (with relevant materials provided to Parent for its review and comment at least three business days prior to such date), the Company ESOP shall be terminated (the “ESOP Termination”

Date”), no new participants shall be admitted on or after the ESOP Termination Date, no further distributions in the form of “qualifying employer securities” (as defined in Section 407 of ERISA) will be permitted and all existing Company ESOP participants’ accounts shall be fully vested and 100% non-forfeitable, (ii) the Company shall cause the Company ESOP’s plan administrator to direct the Trustee to remit a sufficient number of Common Stock to the Company to repay the outstanding ESOP Loan in full, and the proceeds of the sale of such Common Stock shall be used to repay the outstanding balance of the ESOP Loan as of the Effective Time, with each remitted share of Common Stock to be valued equal to the Merger Consideration, (iii) all remaining Common Stock held by the Company ESOP as of the Effective Time shall be exchanged for the Merger Consideration within the Company ESOP in accordance with Section 3.01(a) and (iv) promptly, after the execution of this Agreement, the Company will take such actions as may be necessary to request a favorable determination letter with respect to the Company ESOP’s termination. No benefit distributions shall be made from the Company ESOP without the prior written consent of Parent before the IRS issues a favorable determination letter with respect to the tax-qualified status of the Company ESOP on termination, except that distributions from the Company ESOP may be made earlier if required by Law or upon the occurrence of the Company ESOP participant’s retirement, death, disability or termination of employment or any other event, other than plan termination, that requires a distribution from the Company ESOP. The Company also shall take such other actions in furtherance of terminating the Company ESOP as Parent may reasonably request prior to the Closing, including the adoption of amendments to the Company ESOP. Notwithstanding the foregoing, the Company will continue to make regularly scheduled payments on the ESOP Loan and related share allocations through the ESOP Termination Date.

(k) The provisions of this Section 7.10 are solely for the benefit of the parties to this Agreement. Nothing in this Agreement shall be construed to confer on any Person, other than the parties, their successors and permitted assigns, any right to enforce the provisions of this Section 7.10 or be construed as an amendment, or waiver of any provision, of any Company Plan or any employee benefit plan maintained by the Company, Parent or their respective Affiliates, or the establishment or adoption of or an amendment to any employee benefit plan for purposes of ERISA or otherwise. In addition, nothing expressed or implied in this Section 7.10 shall confer upon any of the employees of the Company, Parent or their respective Subsidiaries or any other Person any additional rights or remedies, including any additional right to employment, or continued employment for any specified period, of any nature or kind whatsoever under or by reason of this Agreement, and nothing in this Agreement shall prevent Parent, the Surviving Company or any of their Affiliates from, after the Effective Time, (i) amending or terminating any of their benefit plans in accordance with their terms or (ii) terminating the employment of any Company Employee.

SECTION 7.11. Notification of Certain Matters; Shareholder Litigation. During the period from the date of this Agreement through the earlier of the Closing or the termination of this Agreement in accordance with its terms, Parent shall give prompt notice to the Company, and the Company shall give prompt notice to Parent, of any Actions commenced or, to such party’s Knowledge, threatened against such party which

relate to this Agreement or the Transactions. Each party shall provide the other with any pleadings and correspondence relating to any Actions involving it, any of its officers or directors or any other of its Representatives relating to this Agreement or the Transactions and will keep the other reasonably and promptly informed regarding the status of any Actions. Subject to applicable Law, each party shall give the other party the opportunity to participate, at such other party's sole cost and expense, in the defense and settlement of any litigation by any shareholder of either party against either party or its directors relating to this Agreement or the Transactions, and no such settlement shall be agreed to without such other party's prior written consent (such consent not to be unreasonably withheld, conditioned or delayed). Without limiting the preceding sentence, each party shall give the other party the right to review and comment on all filings or responses to be made by it in connection with any such Actions, and it will in good faith take such comments into account; provided, however, that such party shall not be obligated to provide such access or information if such party determines, in good faith and in its reasonable judgment, that doing so could waive the protection of an attorney-client privilege or other legal privilege; provided, further, that such party shall use its reasonable best efforts to provide such access or information in a manner that would not risk waiver of such privilege.

SECTION 7.12. Merger Sub Shareholder Approval. Immediately following the execution of this Agreement, Parent shall cause Arches Acquisition Holdco II Inc. to execute and deliver, in accordance with applicable Law and in its capacity as the sole shareholder of Merger Sub, a written consent approving the Merger and this Agreement (the "Merger Sub Shareholder Approval").

SECTION 7.13. Stock Exchange De-listing. The Company and Parent shall cooperate and shall use their respective reasonable best efforts to take, or cause to be taken, all actions, and to do or cause to be done all things, necessary, proper or advisable under applicable Laws and the rules and policies of the NYSE and the SEC to cause the Common Stock to be de-listed from the NYSE and de-registered under the Exchange Act as soon as reasonably practicable following the Effective Time in compliance with applicable Law. In connection therewith, Parent shall (a) reasonably assist in enabling the Company or NYSE to be in a position to promptly file and cause the Surviving Company or NYSE to file with the SEC a Form 25 on the Closing Date and (b) use reasonable best efforts to cause the Surviving Company to file a Form 15 on the first business day that is at least ten days after the date the Form 25 is filed.

SECTION 7.14. Continued Listing of Depositary Shares. From and after the Effective Time, Parent shall cause the Surviving Company to continue to cause the Depositary Shares to be listed on the NYSE in accordance with the terms of certificate of designations establishing the Series A Preferred Stock and Series B Preferred Stock, as applicable, as set forth in Section 3.01(f).

SECTION 7.15. Notices of Certain Events.

From the date hereof until the earlier of the Effective Time and the termination of this Agreement in accordance with the terms of Article IX;

(a) each of the Company and Parent shall promptly notify the other party of:

(i) any written notice or other written communication received by the notifying party or any of its Affiliates or Representatives from any Person alleging that the consent of such Person is or may be required in connection with the Transactions; and

(ii) any Actions (A) commenced or (B) to its Knowledge, threatened against such party or any of its Subsidiaries that, if pending on the date of this Agreement, would have been required to have been disclosed pursuant to Section 4.07 (in the event that the Company is the notifying party) or Section 5.09 (in the event that Parent is the notifying party);

(b) the Company shall give prompt written notice to Parent of any change, circumstance, condition, development, effect, event or occurrence that has had or would reasonably be expected to have a Company Material Adverse Effect, or would reasonably be expected to make the satisfaction of any of the conditions in Section 8.02 impossible or unlikely;

(c) Parent shall give prompt written notice to the Company of any change, circumstance, condition, development, effect, event or occurrence that has had or would reasonably be expected to have a Parent Material Adverse Effect, or would reasonably be expected to make the satisfaction of any of the conditions in Section 8.03(a) or Section 8.03(b) impossible or unlikely; and

(d) BAM shall give prompt written notice to the Company of any change, circumstance, condition, development, effect, event or occurrence that has had or would reasonably be expected to have a BAM Material Adverse Effect, or would reasonably be expected to make the satisfaction of any of the conditions in Section 8.03(c) or Section 8.03(d) impossible or unlikely;

provided, however, that no such notification required by clause (a), (b), (c) or (d) above (and no other notification required to be given under any other Section of this Agreement) shall affect the representations, warranties, covenants or agreements of any party or the conditions to the obligations of any party under this Agreement.

SECTION 7.16. Investment Assets. The Company shall, or shall cause its applicable Subsidiaries to, deliver to Parent, within 15 business days following the end of each calendar month, starting with the first delivery to occur within 15 business days following the end of August 2023, a summary report of (a) all Investment Assets (other than real estate) owned by the Company or any of its Subsidiaries as of such month end, and if available, the market value thereof as of such month end, (b) all Investment Assets that are real estate owned by the Company or any of its Subsidiaries as of such month end and the carrying values thereof as of such month end as determined on a basis consistent with the Company's current practices with respect to its real estate (and, if there has been any third-party appraisal or report completed and delivered to the Company during such

month that speaks to the value of any particular real estate property, such information will be included in the report for that month), (c) all Investment Assets sold or otherwise disposed of during the preceding month, (d) all Investment Assets purchased by the Company or any of its Subsidiaries during the preceding month and (e) all Investment Assets that are in arrears or breach or default in the payment of principal or interest or dividends or are, or should be, classified as non-performing, non-accrual, 90 days past due, still accruing and doubtful of collection, in foreclosure or any comparable classification, or are permanently impaired to any extent. From and after the date hereof until the Closing, subject to applicable Law, the Company shall cause the applicable employees having primary responsibility for Investment Assets to consult with Representatives of Parent on all investment-related matters, including future planned or potential sales and purchases of Investment Assets and the treatment of any impaired or potentially impaired Investment Assets, and the Company shall consider in good faith the recommendations of Representatives of Parent in making investment decisions from and after the date of this Agreement, provided that any such investment decisions shall be determined by the Company acting reasonably and in good faith.

SECTION 7.17. Financing.

(a) Prior to the Closing, the Company shall use commercially reasonable efforts, and shall cause its Subsidiaries and its and their respective Representatives to use commercially reasonable efforts, to provide such assistance in connection with any Debt Financing as may be reasonably requested by Parent; provided that the Company shall in no event be required to provide (or cause its Subsidiaries or its or their Representatives to provide) such assistance that shall unreasonably interfere with its or its Subsidiaries' business operations. For the avoidance of doubt, obtaining the Debt Financing shall not be a condition to Closing. If reasonably requested in writing by Parent, such assistance shall include, with reasonable prior notice and at Parent's sole cost and expense:

(i) furnishing to (A) Parent and any Debt Financing Source such customary and reasonably requested financial information and other pertinent information regarding the Company and its Subsidiaries as promptly as reasonably practicable following the reasonable request therefor by Parent or by any Debt Financing Source and (B) Parent such other historical financial information reasonably necessary to enable Parent to prepare pro forma financial information (provided that the Company and its Subsidiaries shall not have any obligation to prepare such pro forma financial information);

(ii) providing reasonable assistance to Parent in its preparation of (A) customary rating agency presentations and (B) bank books and confidential information memoranda, lender presentation materials and similar documents customary for any Debt Financing (including (1) a "private" supplement to any such materials and (2) customary representation and authorization letters with respect thereto (it being understood that the Company shall not be required to make any representations with respect to projections contained in any such materials or other forward looking information));

(iii) facilitating the execution and delivery at the Closing of customary definitive financing documents (including any schedules or exhibits thereto), including by requesting that the appropriate officers of the Company and its Subsidiaries that will continue in their positions after the Closing be available upon reasonable notice to Parent and its counsel to sign such documents, including customary officer's certificates and secretary's certificates (in each case to be held in escrow pending the Closing), in anticipation of the Closing; provided, however, that no obligation of the Company under any such document, and no such certificate, shall be effective until the Closing (other than any representation and authorization letters referred to in clause (ii) above and any prepayment notices referred to in clause (vi) below required by the Payoff Indebtedness);

(iv) cooperating with Parent to satisfy the conditions precedent to the Debt Financing at the Closing to the extent within the control of the Company;

(v) providing at least three business days prior to the Closing all documentation and other information about the Company and its Subsidiaries as is reasonably requested by Parent or any Debt Financing Sources at least ten business days prior to the Closing Date with respect to applicable "beneficial ownership", "know your customer" and anti-money laundering rules and regulations, including the Patriot Act and 31 C.F.R. § 1010.230; and

(vi) providing reasonable cooperation in connection with the termination and pay-off of any Payoff Indebtedness, including, as applicable, delivering prepayment notices (if such notices may be conditioned on the consummation of the Closing) and the Payoff Letters.

(b) Parent shall indemnify, defend and hold harmless the Company and each of its Subsidiaries and each of their respective officers, directors, managers, employees or other Representatives from and against any and all claims, losses, liabilities, damages, out-of-pocket costs or expenses (including reasonable attorneys' fees), judgments, fines or amounts paid in settlement that are incurred, directly or indirectly, in connection with the Debt Financing and the Credit Agreement Amendments and any cooperation provided pursuant to Section 7.17(a) and (c). Parent shall promptly reimburse the Company for all reasonable and documented out-of-pocket costs (including reasonable attorneys' fees) incurred by the Company or any of its Subsidiaries and each of their respective officers, directors, managers, employees or other Representatives in connection with the Debt Financing and any cooperation provided pursuant to Section 7.17(a).

(c) The Company shall use commercially reasonable efforts to, and shall cause its Subsidiaries and its and their respective Representatives to use commercially reasonable efforts to, cooperate with Parent in connection with the efforts of Parent to obtain, as soon as reasonably practicable after the date hereof, waivers of, or amendments to, change of control or other provisions in the Credit Agreement (the "Credit Agreement Amendments"), on such terms and conditions as specified and

reasonably requested by Parent subject to the consent of the Company (not to be unreasonably withheld, conditioned or delayed), in each case in accordance with the terms of the Credit Agreement; provided that the Company shall in no event be required to provide (or cause its Subsidiaries or its or their Representatives to provide) such assistance that shall unreasonably interfere with its or its Subsidiaries' business operations. For the avoidance of doubt, obtaining any Credit Agreement Amendment shall not be a condition to Closing. If reasonably requested in writing by Parent, with reasonable prior notice and at Parent's sole cost and expense, such assistance shall include:

- (i) furnishing to Parent and the parties to the Credit Agreement such customary and reasonably requested financial information and other pertinent information regarding the Company and its Subsidiaries as promptly as reasonably practicable following the reasonable request therefor by Parent or by any such party;
- (ii) providing reasonable assistance to Parent in its preparation of bank books and confidential information memoranda, lender presentation materials and similar documents customary for any Credit Agreement Amendment (including (1) a "private" supplement to any such materials and (2) customary representation and authorization letters with respect thereto (it being understood that the Company shall not be required to make any representations with respect to projections or other forward looking information contained in any such materials));
- (iii) facilitating the execution and delivery of any Credit Agreement Amendment (including any schedules or exhibits thereto) (it being understood that the effectiveness of such Credit Agreement Amendment may occur prior to the Closing Date, but any waivers and amendments set forth therein shall be conditioned upon the consummation of the Closing), including by requesting that the appropriate officers of the Company and its Subsidiaries be available upon reasonable notice to Parent and its counsel to sign such Credit Agreement Amendment and any customary officer's certificates and secretary's certificates related thereto; and
- (iv) cooperating with Parent to satisfy the conditions precedent to the effectiveness of any Credit Agreement Amendment to the extent within the control of the Company.

For the avoidance of doubt, any cooperation provided for in this clause (c) shall be subject to the indemnification and expense reimbursement provisions in clause (b) above and the other limitations set forth in clause (d) below, and nothing in this clause (c) shall require the Company to pay (or agree to pay) any fee or other amount prior to the Closing (and any such fee or other amount payable at Closing shall only be payable with funds provided by or on behalf of Parent) or to incur any liability that is not indemnifiable or reimbursable pursuant to clause (b).

(d) Notwithstanding anything else in this Section 7.17, (A) none of the Company or any of its Subsidiaries or any of their respective officers, directors, managers, employees or other Representatives shall be required to (x) pay (or agree to pay) any commitment or other fee, pay any expense, provide any indemnities or incur any liability in connection with any Debt Financing prior to the Closing Date (and any such fees or other expenses payable at Closing shall only be payable with funds provided by or on behalf of Parent) or (y) pay (or agree to pay) any fee or other amount in connection with the Credit Agreement Amendment prior to the Closing (and any such fee or other amount payable at Closing shall only be payable with funds provided by or on behalf of Parent) or to incur any liability in connection with the Credit Agreement Amendment that is not indemnifiable or reimbursable pursuant to clause (b), (B) nothing in this Section 7.17 shall require any director, manager, officer or other Representative of the Company or any of its Subsidiaries to execute or deliver any document or instrument (1) if such Person believes in good faith that any representation, warranty or certification contained therein is not true or (2) if such Person believes in good faith that execution or delivery of such document or instrument would reasonably be expected to result in personal liability, (C) none of the Company, any of its Subsidiaries or any of their respective officers, directors, managers, employees or other Representatives shall be required to take any action that would reasonably be expected to unreasonably interfere with the operation of their respective businesses, (D) none of the Company, any of its Subsidiaries or any of their respective officers, directors, managers, employees or other Representatives shall be required to disclose any information that is legally privileged, (E) none of the Company, any of its Subsidiaries or any of their respective officers, directors, managers, employees or other Representatives shall be required to take any action or provide any information to the extent it would or could reasonably be expected to conflict with, or result in any violation of or default under, any Law, organizational documents, material Contract, or confidentiality obligation applicable to such Person, (F) neither the Company nor any of its Affiliates will be required to make any filings with the SEC in connection with any Debt Financing, (G) none of the Company or any of its Subsidiaries or any of their respective officers, directors, managers, employees or other Representatives shall be required to execute, deliver or enter into, or perform any document in connection with the Debt Financing that is contemplated to be effective prior to the Closing (and any such execution, delivery or performance at Closing shall be performed by such officers, directors, managers, employees or other Representatives as constituted after the Effective Time and Closing) (other than any representation and authorization letters referred to in Section 7.17(a)(ii) above and any prepayment notices referred to in Section 7.17(a)(vi) above required by the Payoff Indebtedness), (H) none of the board of directors (or other similar governing body) or committee or subcommittee thereof of the Company or any of its Subsidiaries shall be required to adopt resolutions approving the Debt Financing and the documentation relating thereto that are contemplated to be effective prior to the Closing (and any such adoption or approval at Closing shall be performed by such board of directors (or other similar governing body) or committee or subcommittee thereof as constituted after the Effective Time and Closing), (I) none of the Company, any of its Subsidiaries or any of their respective officers, directors, managers, employees or other Representatives shall be required to take any action or provide any information to the extent it would or could reasonably be expected to (w) require the Company or any of its Subsidiaries to waive or

amend the terms of this Agreement or result in a breach of this Agreement or a failure of any condition to Closing set forth in this Agreement, (x) constitute a default under, or give rise to any right of termination, cancellation or acceleration of any right or obligation of the Company or such Subsidiary or to a loss of any benefit to which the Company or such Subsidiary is entitled under any provision of any material Contract, (y) result in the creation or imposition of any Lien on any asset of the Company or such Subsidiary (except any Lien on any of the Company's or such Subsidiary's respective assets that becomes effective only upon the Closing), or (z) result in the Company's or any of its Affiliates' directors, managers, officers, general or limited partners, employees, counsel, financial advisors, auditors, agents and other authorized Representatives incurring any personal liability with respect to any matters relating to any financing. The Company hereby consents to the use of the trademarks, trade names and logos of the Company and its Subsidiaries by Parent and any Debt Financing Sources, in each case, only as reasonably required in connection with any Debt Financing; provided that Parent shall ensure that any such trademarks, trade names and logos are used by the above permitted parties solely in a manner that is not intended, or that is not reasonably likely, to harm, disparage or otherwise adversely affect the Company's reputation or goodwill. To the extent identifying the Company or any of its Subsidiaries by name, the Company shall have the right to review and comment on marketing materials used in connection with the arrangement of any Debt Financing prior to the dissemination of such materials to potential Debt Financing Sources or other counterparties to any proposed financing transaction. Any information with respect to the prospects and projections for the Company and its Subsidiaries in connection with any Debt Financing will be the sole responsibility of Parent, and neither the Company nor any of its Affiliates nor any of their respective officers, directors, managers, employees or other Representatives shall have any liability or incur any damages with respect thereto or be required to provide any projections or information or make any presentations with respect to capital structure, or the incurrence of any or other pro forma information relating thereto or the manner in which Parent intends to operate, or cause to be operated, the Company and its Subsidiaries after the Closing. The Company and its Subsidiaries shall not be required to deliver, or cause to be delivered, any legal opinions in connection with the Debt Financing or the Credit Agreement Amendment.

SECTION 7.18. Payoff Letters. The Company shall, and shall cause its applicable Subsidiaries to, use commercially reasonable efforts to deliver to Parent, on or prior to the Closing Date, duly executed payoff and release letters in respect of all Payoff Indebtedness (such letters, the "Payoff Letters"), in form and substance reasonably satisfactory to Parent, providing for the satisfaction and discharge of all obligations of the Company and its Subsidiaries in respect of all such Payoff Indebtedness (other than contingent obligations for which no claim has been made), effective upon the payment of the amounts set forth in such Payoff Letters (such amounts, the "Payoff Amount"). Parent shall on behalf of the Company irrevocably pay off or cause to be paid off at or prior to the Effective Time the Payoff Amount and cooperate as may be reasonably requested by the Company to assist the Company in connection with its obligation under this Section 7.18.

SECTION 7.19. Pre-Closing Actions.

(a) Within five business days from the date hereof, the Company shall make available to Parent true, complete and correct copies of the organizational documents of each of the Company's Subsidiaries set forth in Section 7.19(a) of the Company Disclosure Letter, in each case as amended and in effect as of the date so provided.

(b) Prior to the Closing, the Company and Parent shall, and shall cause each applicable Affiliate to, cause the actions contemplated by Section 7.19(b) of the Parent Disclosure Letter to occur at the times and in the manner specified therein. To the extent such actions would require an approval or non-disapproval by and Insurance Regulator, the applicable filing shall indicate that approval or non-disapproval of such action is not a condition to the Closing.

SECTION 7.20. Stock Exchange Listing. BAM shall use its reasonable best efforts to cause the BAM Class A Stock to be delivered as Stock Consideration to be approved for listing on the NYSE, subject to official notice of issuance, prior to the Effective Time. BAM shall use its reasonable best efforts to obtain conditional approval for the listing and posting for trading on the TSX of the BAM Class A Stock to be delivered as Stock Consideration, subject only to satisfaction of the customary listing conditions of the TSX.

ARTICLE VIII

CONDITIONS PRECEDENT

SECTION 8.01. Conditions to Each Party's Obligation To Effect the Merger. The respective obligations of the Company, Parent, Merger Sub and BAM to effect the Merger shall be subject to the satisfaction (or waiver, if permissible under applicable Law) on or prior to the Closing Date of the following conditions:

(a) Required Shareholder Approval. The Required Shareholder Approval shall have been obtained.

(b) Listing. The shares of BAM Class A Stock constituting the Stock Consideration shall have been approved for listing on the NYSE, subject to official notice of issuance, and conditionally approved for listing on the TSX, subject to the satisfaction of customary listing conditions of the TSX.

(c) Other Approvals. (i) Any waiting period (or extension thereof) applicable to the Transactions under the HSR Act shall have been terminated or shall have expired, (ii) the Consents of, or declarations, notifications or filings with, and the other terminations or expirations of waiting periods required from, the Governmental Authorities set forth in Section 8.01(c) of the Company Disclosure Letter shall have been filed, have occurred or been obtained (collectively, the "Required Regulatory Approvals") and shall be in full force and effect and (iii) any timing agreement(s) with a Governmental Authority applicable to the consummation of the Transactions shall have expired or otherwise not prohibit consummation of the Transactions.

(d) No Injunctions or Restraints. No injunction, judgment or ruling enacted, promulgated, issued, entered, amended or enforced by any Governmental Authority of competent jurisdiction (collectively, “Restraints”) shall be in effect enjoining, restraining or otherwise making illegal, preventing or prohibiting consummation of the Transactions.

(e) Form F-4. The Form F-4 shall have been declared effective under the Securities Act and shall not be the subject of any stop order suspending the effectiveness of such registration statement or initiated or threatened proceedings seeking such a stop order.

SECTION 8.02. Conditions to Obligations of Parent, Merger Sub and BAM. The obligations of Parent, Merger Sub and BAM to effect the Merger are further subject to the satisfaction (or waiver, if permissible under applicable Law) on or prior to the Closing Date of the following conditions:

(a) Representations and Warranties of the Company. The representations and warranties of the Company (i) set forth in Section 4.02(a) and clause (ii) of Section 4.06 shall be true and correct in all respects (except for *de minimis* inaccuracies) as of the date of this Agreement and as of the Closing Date as though made as of the Closing Date (except to the extent expressly made as of an earlier date, in which case as of such date), (ii) set forth in Sections 4.02(b), 4.03(a), 4.03(b), 4.03(d) and 4.25 shall be true and correct in all material respects (without regard to any materiality qualifiers specified therein) as of the date of this Agreement and as of the Closing Date with the same effect as though made as of the Closing Date (except to the extent expressly made as of an earlier date, in which case as of such date) and (iii) set forth in this Agreement, other than those Sections specifically identified in clauses (i) or (ii) of this Section 8.02(a), shall be true and correct (disregarding all qualifications or limitations as to “materiality,” “Company Material Adverse Effect” and words of similar import set forth therein, other than Section 4.15(a) and any use of the defined term “Material Contract”) as of the date of this Agreement and as of the Closing Date with the same effect as though made as of the Closing Date (except to the extent expressly made as of an earlier date, in which case as of such date), except, in the case of this clause (iii), where the failure to be so true and correct would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect. Parent shall have received a certificate signed on behalf of the Company by an executive officer of the Company to such effect.

(b) Obligations and Agreements of the Company. The Company shall have performed or complied in all material respects with the obligations and agreements required to be performed or complied with by it under this Agreement at or prior to the Closing. Parent shall have received a certificate signed on behalf of the Company by an executive officer of the Company to such effect.

(c) Company Material Adverse Effect. Since the date hereof, no Company Material Adverse Effect shall have occurred.

(d) Burdensome Condition. No Burdensome Condition shall have been imposed.

(e) FINRA Approval. FINRA's approval of the Rule 1017 Application, provided, that Parent may, in its sole discretion and upon written notice to the Company, waive the receipt of FINRA's approval of the Rule 1017 Application as a condition upon which the obligations of any party to effect the Merger shall be subject, but Parent shall only have the right to exercise such waiver option in the circumstance where: (A) the passing of 12:01 am New York time on the thirty-first (31st) calendar day following the date on which FINRA accepts as "substantially complete" the Rule 1017 Application, and (B) FINRA has not provided notice to the Broker-Dealer Subsidiary expressly stating that the Closing may not occur until FINRA approves the Rule 1017 Application (or if FINRA has provided such notice to Broker-Dealer Subsidiary, such notice has been withdrawn).

SECTION 8.03. Conditions to Obligations of the Company. The obligations of the Company to effect the Merger are further subject to the satisfaction (or waiver, if permissible under applicable Law) on or prior to the Closing Date of the following conditions:

(a) Representations and Warranties of the Parent Entities. The representations and warranties of Parent and Merger Sub (i) set forth in Sections 5.02 and 5.06 shall be true and correct in all material respects (without regard to any materiality qualifiers specified therein) as of the date of this Agreement and as of the Closing Date with the same effect as though made as of the Closing Date (except to the extent expressly made as of an earlier date, in which case as of such date) and (ii) set forth in this Agreement, other than those Sections specifically identified in clause (i) of this Section 8.03(a), shall be true and correct (disregarding all qualifications or limitations as to "materiality," "Parent Material Adverse Effect" and words of similar import set forth therein) as of the date of this Agreement and as of the Closing Date with the same effect as though made as of the Closing Date (except to the extent expressly made as of an earlier date, in which case as of such date), except, in the case of this clause (ii), where the failure to be true and correct would not, individually or in the aggregate, reasonably be expected to have a Parent Material Adverse Effect. The Company shall have received a certificate signed on behalf of Parent and Merger Sub by an executive officer of Parent and an executive officer of Merger Sub to such effect.

(b) Obligations and Agreements of the Parent Entities. Parent and Merger Sub shall have performed or complied in all material respects with the obligations and agreements required to be performed or complied with by them under this Agreement at or prior to the Closing. The Company shall have received a certificate signed on behalf of Parent and Merger Sub by an executive officer of Parent and an executive officer of Merger Sub to such effect.

(c) Representations and Warranties of BAM. The representations and warranties of BAM (i) set forth in Section 6.02 and clause (ii) of Section 6.09 shall be true and correct in all respects (except for *de minimis* inaccuracies) as of the date of this

Agreement and as of the Closing Date as though made as of the Closing Date (except to the extent expressly made as of an earlier date, in which case as of such date), (ii) set forth in Sections 6.03 and 6.12 shall be true and correct in all material respects (without regard to any materiality qualifiers specified therein) as of the date of this Agreement and as of the Closing Date with the same effect as though made as of the Closing Date (except to the extent expressly made as of an earlier date, in which case as of such date) and (iii) set forth in this Agreement, other than those Sections specifically identified in clauses (i) or (ii) of this Section 8.03(c), shall be true and correct (disregarding all qualifications or limitations as to “materiality,” “BAM Material Adverse Effect” and words of similar import set forth therein) as of the date of this Agreement and as of the Closing Date with the same effect as though made as of the Closing Date (except to the extent expressly made as of an earlier date, in which case as of such date), except, in the case of this clause (iii), where the failure to be true and correct would not, individually or in the aggregate, reasonably be expected to have a BAM Material Adverse Effect. The Company shall have received a certificate signed on behalf of BAM by an executive officer of BAM to such effect.

(d) Obligations and Agreements of BAM. BAM shall have performed or complied in all material respects with the obligations and agreements required to be performed or complied with by them under this Agreement at or prior to the Closing. The Company shall have received a certificate signed on behalf of BAM by an executive officer of BAM to such effect.

SECTION 8.04. Frustration of Closing Conditions. None of the parties hereto may rely, either as a basis for not consummating the Transactions or for terminating this Agreement, on the failure of any condition set forth in Sections 8.01, 8.02 or 8.03, as the case may be, to be satisfied if such failure was caused by such party’s breach in any material respect of any provision of this Agreement.

ARTICLE IX

TERMINATION

SECTION 9.01. Termination. This Agreement may be terminated and the Transactions abandoned at any time prior to the Effective Time, whether before or after receipt of the Required Shareholder Approval (except as otherwise expressly noted):

(a) by the mutual written consent of the Company and Parent duly authorized by each of the Company Board and the Parent Board;

(b) by either of the Company or Parent:

(i) if the Merger shall not have been consummated on or prior to April 4, 2024 (the “Outside Date”); provided, however, that if the conditions to the Closing set forth in Section 8.01(c) have not been satisfied or waived on or prior to such date but all other conditions to Closing set forth in Article VIII have been satisfied or waived (other than those conditions that by their nature are to be

satisfied or waived at the Closing (so long as such conditions are reasonably capable of being satisfied)), the Outside Date may be extended by either party to a date not beyond July 5, 2024, by providing a written notice thereof to the other party prior to 5:00 p.m. (New York time) on such date; provided, further that the right to terminate this Agreement under this Section 9.01(b)(i) shall not be available to any party if the breach by such party of its representations and warranties set forth in this Agreement or the failure of such party to perform any of its obligations under this Agreement, its failure to act in good faith or its failure to use its reasonable best efforts to consummate the Transactions, including to the extent required by and subject to Section 7.05, has been a proximate cause of the failure of the Merger to be consummated on or prior to such date (it being understood that Parent, BAM and Merger Sub shall be deemed a single party for purposes of the foregoing proviso);

(ii) if any Restraint having the effect set forth in Section 8.01(d) shall be in effect and shall have become final and nonappealable; provided that the party seeking to terminate this Agreement pursuant to this Section 9.01(b)(ii) shall have performed in all material respects its obligations under this Agreement, acted in good faith and used reasonable best efforts to prevent the entry of and to remove such Restraint in accordance with its obligations under this Agreement (it being understood that Parent, BAM and Merger Sub shall be deemed a single party for purposes of the foregoing proviso); or

(iii) if the Required Shareholder Approval shall not have been obtained following a vote thereon having been taken at the Company Shareholders Meeting or at any postponement, recess or adjournment thereof taken in accordance with this Agreement;

(c) by Parent:

(i) if the Company shall have breached any of its representations or warranties or failed to perform any of its obligations or agreements set forth in this Agreement, which breach or failure to perform (A) would give rise to the failure of a condition set forth in Section 8.02(a) or Section 8.02(b) and (B) is not reasonably capable of being cured prior to the Outside Date, or if reasonably capable of being cured, shall not have been cured by the earlier of the Outside Date and 30 days following receipt by the Company of written notice of such breach or failure to perform from Parent stating Parent's intention to terminate this Agreement pursuant to this Section 9.01(c)(i) and the basis for such termination; provided that Parent shall not have the right to terminate this Agreement pursuant to this Section 9.01(c)(i) if Parent, Merger Sub or BAM is then in material breach of any of its representations, warranties, obligations or agreements hereunder; or

(ii) prior to receipt of the Required Shareholder Approval, if the Company Board shall have effected and not withdrawn an Adverse Recommendation Change; or

(d) by the Company:

(i) if Parent, Merger Sub or BAM shall have breached any of its representations or warranties or failed to perform any of its obligations or agreements set forth in this Agreement, which breach or failure to perform (A) would give rise to the failure of a condition set forth in Sections 8.03(a), 8.03(b), 8.03(c) or 8.03(d) and (B) is not reasonably capable of being cured prior to the Outside Date, or if reasonably capable of being cured, shall not have been cured by the earlier of the Outside Date and 30 days following receipt by Parent, Merger Sub or BAM, as applicable, of written notice of such breach or failure to perform from the Company stating the Company's intention to terminate this Agreement pursuant to this Section 9.01(d)(i) and the basis for such termination; provided that the Company shall not have the right to terminate this Agreement pursuant to this Section 9.01(d)(i) if the Company is then in material breach of any of its representations, warranties, obligations or agreements hereunder; or

(ii) prior to receipt of the Required Shareholder Approval, in connection with entering into a Company Acquisition Agreement in accordance with Section 7.03(d)(ii); provided that, prior to or concurrently with such termination, the Company pays the Company Termination Fee in accordance with Section 9.03.

SECTION 9.02. Effect of Termination. In the event of the termination of this Agreement as provided in Section 9.01, written notice thereof shall be given to the other party or parties, specifying the provision hereof pursuant to which such termination is made, and this Agreement shall forthwith become null and void (other than Sections 9.02 and 9.03, Article X, the Confidentiality Agreement and the Guaranty, all of which shall survive termination of this Agreement), and there shall be no liability on the part of Parent, Merger Sub, the Company or their respective former, current or future directors, officers, partners, shareholders, managers, members and Affiliates arising out of or in connection with this Agreement, any of the Transactions or any matters forming the basis of such termination, except (a) as liability may exist pursuant to the provisions specified in the immediately preceding parenthetical that survive such termination, (b) as liability may exist pursuant to the terms and conditions of the Guaranty or the Voting Agreement, and (c) that no such termination shall relieve any party from liability for any Willful Breach or Fraud.

SECTION 9.03. Termination Fee.

(a) In the event that this Agreement is terminated (A) by Parent pursuant to Section 9.01(c)(ii) or (B) by the Company pursuant to Section 9.01(d)(ii), then the Company shall pay Parent the Company Termination Fee. If the Company Termination Fee is payable pursuant to clause (A) of the preceding sentence, the

Company Termination Fee shall be paid within four business days after the date of such termination, and if the Company Termination Fee is payable pursuant to clause (B) of the preceding sentence, the Company Termination Fee shall be paid as described in Section 9.01(d)(ii), in each case, by wire transfer of immediately available funds to an account designated by Parent in writing (it being understood that in no event shall the Company be required to pay the Company Termination Fee more than once).

(b) If this Agreement is terminated by either Parent or the Company pursuant to Section 9.01(b)(iii) and (A) at any time after the date of this Agreement and prior to such termination, a Takeover Proposal shall have been publicly announced or publicly made known to the Company Board or the shareholders of the Company and not withdrawn and (B) within 12 months of such termination, the Company consummates such a Takeover Proposal or enters into a definitive agreement to consummate such a Takeover Proposal and the Company thereafter consummates such Takeover Proposal (whether or not within such 12 month period), then the Company shall pay Parent the Company Termination Fee; provided that for purposes of this Section 9.03(b), the references to “20%” in the definition of Takeover Proposal shall be deemed to be references to “50%.” If the Company Termination Fee is payable pursuant to this Section 9.03(b), the Company Termination Fee shall be paid upon the consummation of such Takeover Proposal by wire transfer of immediately available funds to an account designated by Parent in writing (it being understood that in no event shall the Company be required to pay the Company Termination Fee more than once).

(c) Each of the parties acknowledges that the agreements contained in this Section 9.03 are an integral part of the Transactions, and that without these agreements, the other parties would not enter into this Agreement; accordingly, if the Company fails to timely pay any amount due pursuant to this Section 9.03, and, in order to obtain the payment, Parent commences an Action which results in a judgment against the Company for the payment set forth in this Section 9.03, the Company shall pay Parent for its reasonable and documented costs and expenses (including reasonable and documented attorneys’ fees) in connection with such Action, together with interest on such amount at the prime rate as published in *The Wall Street Journal* in effect on the date such payment was required to be made through the date such payment was actually received.

ARTICLE X

MISCELLANEOUS

SECTION 10.01. No Survival of Representations and Warranties. This Article X and the agreements of the Company, Parent and Merger Sub contained in Article III and in Sections 7.08, 7.10 and 7.11 shall survive the Effective Time. No other representations, warranties, obligations or agreements in this Agreement shall survive the Effective Time, except for those representations, warranties, obligations or agreements set forth in this Agreement that by their terms apply, or that are to be performed in whole or in part, after the Effective Time.

SECTION 10.02. Amendment or Supplement. At any time prior to the Closing, this Agreement may be amended or supplemented in any and all respects, whether before or after receipt of the Required Shareholder Approval, only by written agreement of the parties, by action taken by the Parent Board, an authorized officer of BAM and the Company Board; provided, however, that following receipt of the Required Shareholder Approval, there shall be no amendment or change to the provisions hereof which by applicable Law would require further approval by the Company's shareholders without such approval.

SECTION 10.03. Extension of Time, Waiver, Etc. At any time prior to the Closing, Parent and the Company may, subject to applicable Law, (a) waive any inaccuracies in the representations and warranties of the other party, (b) extend the time for the performance of any of the obligations or acts of the other party or (c) subject to the requirements of applicable Law, waive compliance by the other party with any of the agreements contained herein or, except as otherwise provided herein, waive any of such party's conditions (it being understood that Parent and Merger Sub shall be deemed a single party for purposes of the foregoing). Notwithstanding the foregoing, no failure or delay by the Company, Parent or Merger Sub in exercising any right hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right hereunder. Any agreement on the part of a party to any such extension or waiver shall be valid only if set forth in an instrument in writing signed on behalf of such party.

SECTION 10.04. Assignment. Neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned, in whole or in part, by operation of Law or otherwise, by any of the parties without the prior written consent of the other parties. No assignment by any party shall relieve such party of any of its obligations hereunder. Subject to the immediately preceding two sentences, this Agreement shall be binding upon, inure to the benefit of, and be enforceable by, the parties and their respective successors and permitted assigns. Any purported assignment not permitted under this Section 10.04 shall be null and void.

SECTION 10.05. Counterparts. This Agreement may be executed in one or more counterparts (including by electronic mail), each of which shall be deemed to be an original but all of which taken together shall constitute one and the same agreement, and shall become effective when one or more counterparts have been signed by each of the parties and delivered to the other parties.

SECTION 10.06. Entire Agreement; No Third-Party Beneficiaries. This Agreement, together with the Exhibits and Schedules attached hereto, the Company Disclosure Letter, the Parent Disclosure Letter, the BAM Disclosure Letter, the Guaranty, the Voting Agreement and the Confidentiality Agreement, constitute the entire agreement, and supersede all other prior agreements and understandings, both written and oral, among the parties and their Affiliates, or any of them, with respect to the subject matter hereof and thereof. Except for: (i) if the Effective Time occurs, (A) the right of the holders of Common Stock to receive the Merger Consideration payable in accordance with Article III and (B) the right of the holders of Preferred Stock to receive preferred

stock of the Surviving Company in accordance with Article III and (ii) the Indemnitees with respect to the provisions set forth in Section 7.08 of this Agreement, nothing in this Agreement, express or implied, is intended to or shall confer upon any Person other than the parties any rights or remedies hereunder. Notwithstanding the foregoing, the Company shall have the right to recover, through an Action brought by the Company, damages from Parent (or against BN to the extent provided for in the Guaranty) in the event of a breach of this Agreement by Parent, in which event the damages recoverable by the Company for itself and on behalf of the Company's shareholders shall be determined by reference to the total amount that would have been recoverable by such holders if all such holders brought an action against Parent and were recognized as third-party beneficiaries hereunder. The representations, warranties, covenants and agreements in this Agreement are the product of negotiations among the parties and are for the sole benefit of the parties and may, in certain instances, be qualified, limited or changed by confidential disclosure letters. Any inaccuracies in such representations or warranties or failure to perform or breach of such covenants or agreements are subject to waiver by the parties in accordance with Section 10.03 without notice or liability to any other Person. In some instances, the representations, warranties, covenants and agreements in this Agreement may represent an allocation among the parties of risk associated with particular matters regardless of the knowledge of any of the parties. Consequently, Persons other than the parties may not rely upon the representations, warranties, covenants and agreements in this Agreement as characterizations of actual facts or circumstances as of the date of this Agreement or as of any other date.

SECTION 10.07. Governing Law; Jurisdiction.

(a) This Agreement shall be governed by, and construed in accordance with, the Laws of the State of Iowa applicable to contracts executed in and to be performed entirely within that state, regardless of the laws that might otherwise govern under any applicable conflict of laws principles.

(b) All Actions arising out of or relating to the interpretation and enforcement of the provisions of this Agreement and in respect of the Transactions shall be heard and determined in the Iowa District Court for Polk County, or, if the Iowa District Court declines to accept jurisdiction over a particular matter, any federal court within the State of Iowa, or, if both the Iowa District Court and the federal courts within the State of Iowa decline to accept jurisdiction over a particular matter, any other state court within the State of Iowa, and, in each case, any appellate court therefrom. The parties hereby irrevocably submit to the exclusive jurisdiction and venue of such courts in any such Actions and irrevocably waive the defense of an inconvenient forum or lack of jurisdiction to the maintenance of any such Action. The consents to jurisdiction and venue set forth in this Section 10.07(b) shall not constitute general consents to service of process in the State of Iowa and shall have no effect for any purpose except as provided in this paragraph and shall not be deemed to confer rights on any Person other than the parties. Each party agrees that service of process upon such party in any Action arising out of or relating to this Agreement shall be effective if notice is given by overnight courier at the address set forth in Section 10.10 of this Agreement. The parties agree that a final judgment in any such Action shall be conclusive and may be enforced in other

jurisdictions by suit on the judgment or in any other manner provided by applicable Law; provided, however, that nothing contained in the foregoing shall restrict any party's rights to seek any post-judgment relief regarding, or any appeal from, a final trial court judgment.

SECTION 10.08. Specific Enforcement. The parties agree that irreparable damage for which monetary relief, even if available, would not be an adequate remedy, would occur in the event that any provision of this Agreement is not performed in accordance with its specific terms or is otherwise breached, including if the parties fail to take any action required of them hereunder to consummate this Agreement, subject to the terms and conditions of this Agreement. The parties acknowledge and agree that (a) the parties shall be entitled to an injunction or injunctions, specific performance or other equitable relief to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof (including, for the avoidance of doubt, the right of the Company to cause the Merger to be consummated on the terms and subject to the conditions set forth in this Agreement and to enforce the obligations of BN pursuant to the terms of the Guaranty and the Voting Agreement) in the courts described in Section 10.07(b) without proof of damages or otherwise, this being in addition to any other remedy to which they are entitled under this Agreement and (b) the right of specific enforcement is an integral part of the Transactions and without that right, neither the Company nor Parent would have entered into this Agreement. The parties agree not to assert that a remedy of specific enforcement is unenforceable, invalid, contrary to Law or inequitable for any reason, and not to assert that a remedy of monetary damages would provide an adequate remedy or that the parties otherwise have an adequate remedy at law. The parties acknowledge and agree that any party seeking an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in accordance with this Section 10.08 shall not be required to provide any bond or other security in connection with any such order or injunction.

SECTION 10.09. WAIVER OF JURY TRIAL. EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE IT HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT AND ANY OF THE AGREEMENTS DELIVERED IN CONNECTION HERewith OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (A) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (B) IT UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF SUCH WAIVER, (C) IT MAKES SUCH WAIVER VOLUNTARILY AND (D) IT HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVER AND CERTIFICATIONS IN THIS SECTION 10.09.

SECTION 10.10. Notices. All notices, requests and other communications to any party hereunder shall be in writing and shall be deemed given if delivered personally, emailed (but only if confirmation of receipt of such email is requested and received, provided that each notice party shall use reasonable best efforts to confirm receipt of any such email correspondence promptly upon receipt of such request) or sent by overnight courier (providing proof of delivery) to the parties at the following addresses:

All such notices, requests and other communications shall be deemed received on the date of actual receipt by the recipient thereof if received prior to 5:00 p.m. local time in the place of receipt and such day is a business day in the place of receipt. Otherwise, any such notice, request or communication shall be deemed not to have been received until the next succeeding business day in the place of receipt.

SECTION 10.11. Severability. If any term, condition or other provision of this Agreement is finally determined by a court of competent jurisdiction to be invalid, illegal or incapable of being enforced by any applicable Law or public policy, all other terms, provisions and conditions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the Transactions is not affected in any manner materially adverse to any party or such party waives its rights under this Section 10.11 with respect thereto. Upon such determination that any term, condition or other provision is invalid, illegal or incapable of being enforced, the parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the

parties as closely as possible to the fullest extent permitted by applicable Law in an acceptable manner to the end that the Transactions are fulfilled to the extent possible.

SECTION 10.12. Fees and Expenses. Whether or not the Transactions are consummated, all fees and expenses incurred in connection with the Transactions and this Agreement shall be paid by the party incurring or required to incur such fees or expenses, except as otherwise set forth in this Agreement.

SECTION 10.13. Transfer Taxes. Except as otherwise provided in Section 3.02(b), all transfer, documentary, sales, use, stamp, registration, value-added and other similar Taxes and fees incurred in connection with the Transactions shall be paid by Parent and Merger Sub when due and expressly shall not be a liability of any holders of the Common Stock or the Company Awards or the Company.

SECTION 10.14. No Other Representations and Warranties.

(a) Except for the representations and warranties expressly set forth in Article IV, neither the Company nor any other Person on behalf of the Company makes any express or implied representation or warranty with respect to the Company, its Subsidiaries or their respective businesses or with respect to any other information provided to Parent, Merger Sub, BAM or their Representatives or Affiliates in connection with the Transactions. VOTING AGREEMENT (this “Agreement”) dated as of July 4, 2023, among American Equity Investment Life Holding Company, an Iowa corporation (the “Company”), and each party listed on Schedule A hereto (each, a “Stockholder” and, collectively, the “Stockholders”). The Company and Stockholders are each referred to in this Agreement as a “party” and collectively as the “parties”.

WHEREAS, simultaneously with the execution and delivery of this Agreement, the Company, Brookfield Reinsurance Ltd., a Bermuda exempted company limited by shares (“Parent”), Arches Merger Sub Inc., an Iowa corporation and wholly owned subsidiary of Parent, and, solely for the limited purposes set forth therein, Brookfield Asset Management Ltd., a company incorporated under the laws of the Province of British Columbia, have entered into an Agreement and Plan of Merger dated as of the date hereof (the “Merger Agreement”; capitalized terms used but not defined herein shall have the meanings set forth in the Merger Agreement);

WHEREAS, each Stockholder owns the number of shares of Common Stock set forth opposite its name on Schedule A hereto (such shares of Common Stock, together with any other shares of Common Stock acquired by such Stockholder after the date hereof and during the term of this Agreement, being collectively referred to herein as the “Subject Shares” of such Stockholder); and

WHEREAS, as a condition to its willingness to enter into the Merger Agreement, the Company has requested that each Stockholder enter into this Agreement.

NOW, THEREFORE, the parties, intending to be legally bound, agree as follows:

SECTION 1. *Representations and Warranties of Each Stockholder.* Each Stockholder hereby, severally and not jointly, represents and warrants to the Company as of the date hereof in respect of itself as follows:

(a) Authority; Execution and Delivery; Enforceability. The Stockholder has all requisite power and authority to execute and deliver this Agreement, to perform its obligations hereunder and to consummate the transactions contemplated hereby. The execution and delivery by the Stockholder of this Agreement, the performance by it of its obligations hereunder and the consummation by it of the transactions contemplated hereby have been duly authorized by all necessary action on the part of such Stockholder. The Stockholder has duly executed and delivered this Agreement, and, assuming this Agreement constitutes a valid and binding obligation of the Company, this Agreement constitutes a legal, valid and binding obligation of the Stockholder, enforceable against it in accordance with its terms, except, in each case, as enforcement may be limited by bankruptcy, insolvency, reorganization or similar Laws affecting creditors’ rights generally and by general principles of equity.

(b) No Conflicts; Consents.

(i) The execution and delivery by the Stockholder of this Agreement and the performance by it of its obligations hereunder do not, and the consummation by it of the transactions contemplated hereby and compliance with the terms hereof will not, (A) conflict with, or result in any violation of any provision of, the organizational documents of such Stockholder, (B) conflict with, or result in any violation of or default (with or without notice or lapse of time, or both) under, or give rise to a right of termination, cancellation or acceleration of any obligation or to loss of a material benefit under, or to increased, additional, accelerated or guaranteed rights or entitlements of any person under, or result in the creation of any Lien upon any of the properties or assets of such Stockholder under, any provision of any material Contract to which such Stockholder is a party or by which any of its properties or assets is bound (other than any Contract to which the Company or any Subsidiary of the Company is a party or by which any of their respective properties or assets is bound) or (C) conflict with, or result in any violation of any provision of, subject to the filings and other matters referred to in Section 1(b)(ii), any judgments, decrees and orders of Governmental Authorities or Law, in each case applicable to such Stockholder or its properties or assets, other than, in the case of clauses (B) and (C) above, any such items that, individually or in the aggregate, would not reasonably be expected to prevent or materially impair the ability of the Stockholder to perform its obligations hereunder or to consummate the transactions contemplated hereby.

(ii) No Consent of or from, or registration, declaration, notice or filing with or made to, any Governmental Authority, or the expiry of any related waiting period, is required to be obtained or made by or with respect to the Stockholder in connection with the execution, delivery and performance by the Stockholder of this Agreement or the consummation by it of the transactions contemplated hereby, other than (A) the filing with the SEC of such reports under Section 13 and Section 16 of the Exchange Act as may be required in connection with this Agreement, the Merger Agreement and the transactions contemplated hereby and thereby, (B) any filings or Consents contemplated by the Merger Agreement and (C) such other items that the failure of which to obtain or make, individually or in the aggregate, would not reasonably be expected to prevent or materially impair the ability of the Stockholder to perform its obligations hereunder or to consummate the transactions contemplated hereby.

(c) The Subject Shares. The Stockholder is the record and beneficial owner of, and has good and valid title to, the Subject Shares, free and clear of any Liens. As of the date hereof, the Stockholder does not own, of record or beneficially, any shares of capital stock of the Company other than the Subject Shares set forth opposite its name on Schedule A attached hereto. None of the Stockholder's Subject Shares is subject to any voting trust or other agreement, arrangement or restriction with respect to the voting or the transfer of such Stockholder's Subject Shares, except as set forth in this Agreement, the organizational documents of the Company or the Investment Agreement, dated October 17, 2020, by and among the Company, Brookfield Corporation (formerly,

Brookfield Asset Management Inc.), and the Stockholders (as successors and assigns of Burgundy Acquisitions I Ltd.) (as amended, restated or otherwise modified from time to time, the “Investment Agreement”).

SECTION 2. *Representations and Warranties of the Company.* The Company hereby represents and warrants to each Stockholder as follows:

(a) Authority; Execution and Delivery; Enforceability. The Company has all requisite corporate power and authority to execute and deliver this Agreement, to perform its obligations hereunder and to consummate the transactions contemplated hereby. The execution and delivery by the Company of this Agreement, the performance by it of its obligations hereunder and the consummation by it of the transactions contemplated hereby have been duly authorized by all necessary corporate action on the part of the Company. The Company has duly executed and delivered this Agreement, and, assuming this Agreement constitutes a valid and binding obligation of the Stockholders, this Agreement constitutes a legal, valid and binding obligation of the Company, enforceable against it in accordance with its terms, except, in each case, as enforcement may be limited by bankruptcy, insolvency, reorganization or similar Laws affecting creditors’ rights generally and by general principles of equity.

(b) No Conflicts; Consents.

(i) The execution and delivery by the Company of this Agreement and the performance by it of its obligations hereunder do not, and the consummation by it of the transactions contemplated hereby and compliance with the terms hereof will not, (A) conflict with, or result in any violation of any provision of, the Company Charter or the Company Bylaws, (B) conflict with, or result in any violation of or default (with or without notice or lapse of time, or both) under, or give rise to a right of termination, cancellation or acceleration of any obligation or to loss of a material benefit under, or to increased, additional, accelerated or guaranteed rights or entitlements of any person under, or result in the creation of any Lien upon any of the properties or assets of the Company or any Subsidiary of the Company under, any provision of any material Contract to which the Company or any Subsidiary of the Company is a party or by which any of their properties or assets are bound (other than any Contract to which either Stockholder is a party or by which any of their respective properties or assets are bound) or (C) conflict with, or result in any violation of any provision of, subject to the filings and other matters referred to in Section 2(b)(ii), any judgments, decrees and orders of Governmental Authorities or Law, in each case applicable to the Company or any Company Subsidiary or their respective properties or assets, other than, in the case of clauses (B) and (C) above, any such items that, individually or in the aggregate, would not reasonably be expected to prevent or materially impair the ability of the Company to perform its obligations hereunder or to consummate the transactions contemplated hereby.

(ii) No Consent of or from, or registration, declaration, notice or filing with or made to, any Governmental Authority, or the expiry of any related waiting

period, is required to be obtained or made by or with respect to the Company in connection with the execution, delivery and performance by it of this Agreement or the consummation by it of the transactions contemplated hereby other than (A) the filing with the SEC of (1) the Proxy Statement and (2) such reports under Section 13 and Section 16 of the Exchange Act as may be required in connection with this Agreement, the Merger Agreement and the transactions contemplated hereby and thereby, (B) any filings or Consents contemplated by the Merger Agreement and (C) such other items that the failure of which to obtain or make, individually or in the aggregate, would not reasonably be expected to prevent or materially impair the ability of the Company to perform its obligations hereunder or to consummate the transactions contemplated hereby.

SECTION 3. *Covenants of Each Stockholder.* Unless this Agreement is terminated in accordance with its terms, each Stockholder, severally and not jointly, covenants and agrees as follows:

(a) At any meeting of the shareholders of the Company called to seek the Required Shareholder Approval or at any adjournment thereof or in any other circumstances upon which a vote, consent or other approval (including by written consent) with respect to the Merger Agreement or the Merger is sought, the Stockholder shall, including by executing a written consent solicitation if requested by the Company, cause its Subject Shares to be present in person or by proxy for purposes of constituting a quorum and vote (or cause to be voted) the Subject Shares of the Stockholder in favor of granting the Required Shareholder Approval.

(b) At any meeting of stockholders of the Company or at any adjournment thereof or in any other circumstances upon which the Stockholder's vote, consent or other approval (including by written consent) is sought, the Stockholder shall cause its Subject Shares to be present in person or by proxy for purposes of constituting a quorum and vote (or cause to be voted) the Subject Shares against (i) any Takeover Proposal and (ii) any amendment of the Company Charter or the Company Bylaws or other proposal or transaction involving the Company or any Subsidiary of the Company, which amendment or other proposal or transaction would in any manner impede, frustrate, prevent or nullify any provision of the Merger Agreement or the Merger. The Stockholder shall not commit or agree to take any action inconsistent with the foregoing.

(c) Other than this Agreement, the Stockholder shall not (i) sell, transfer, pledge, assign or otherwise dispose of (including by gift) (collectively, "Transfer"), or enter into any Contract, option or other arrangement (including any profit-sharing arrangement) with respect to the Transfer of, any Subject Shares to any person other than pursuant to the Transactions, unless prior to any such Transfer the transferee of such Stockholder's Subject Shares is a party to this Agreement, enters into a voting agreement with the Company on terms substantially identical to the terms of this Agreement or agrees to become a party to this Agreement pursuant to a customary joinder agreement, or (ii) enter into any voting arrangement, whether by proxy, voting agreement or otherwise, with respect to any Subject Shares and shall not commit or agree to take any of the foregoing actions.

SECTION 4. *Waiver.*

(a) The Company hereby waives compliance by the Stockholders with the terms and conditions of:

(i) Section 7.4 of the Investment Agreement to the extent that such terms and conditions would require the Stockholders to dispose of any Common Stock;

(ii) Section 7.5 of the Investment Agreement to the extent necessary to permit Parent to exercise its rights pursuant to Section 7.03 of the Merger Agreement; and

(iii) Section 7.7 of the Investment Agreement, solely in order for the Stockholders to comply with their obligations set forth in Sections 3(a) and 3(b) and to the extent that such terms and conditions would require the Stockholders to vote any of the Subject Shares in the same proportion as the unaffiliated shareholders of the Company with respect to vote any matter described in Sections 3(a) and 3(b).

(b) The waivers in Sections 4(a) shall expire upon the termination of the Merger Agreement in accordance with its terms.

SECTION 5. *Termination.* This Agreement shall terminate, other than with respect to the liability of any party for breach hereof prior to such termination, upon the earliest of: (a) the Effective Time; (b) the termination of the Merger Agreement in accordance with its terms; (c) at any time prior to the time, but not after, the Required Shareholder Approvals are obtained, if the Company Board, or any committee thereof has made an Adverse Recommendation Change; and (d) the termination of this Agreement by the mutual written consent of the parties.

SECTION 6. *Additional Matters.* Each Stockholder shall, from time to time, execute and deliver, or cause to be executed and delivered, such additional or further consents, documents and other instruments as the Company may reasonably require for the purpose of effectively carrying out the transactions contemplated by this Agreement.

SECTION 7. *General Provisions.*

Otherwise, any such notice, request or communication shall be deemed not to have been received until the next succeeding business day in the place of receipt.

(c) Interpretation. When a reference is made in this Agreement to an Article, Section or subsection, such reference shall be to an Article, Section or subsection to this Agreement unless otherwise indicated. The headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. Whenever the words “include”, “includes” or “including” are used in this Agreement, they shall be deemed to be followed by the words “without limitation”. The words “hereof”, “herein”, “hereto” and “hereunder” and words of similar import when used in this Agreement shall refer to this Agreement as a whole and not to any particular provision of this Agreement. The term “or” is not exclusive. The word “extent” in the phrase “to the extent” shall mean the degree to which a subject or other thing extends, and such phrase shall not mean simply “if”. The definitions contained in this Agreement are applicable to the singular as well as the plural forms of such terms. Any agreement, instrument or Law defined or referred to herein or in any agreement or instrument that is referred to herein means such agreement, instrument or Law as from time to time amended, modified or supplemented, unless otherwise specifically indicated. References to a person are also to its permitted successors and assigns. Each of the parties has participated in the drafting and negotiation of this Agreement. If an ambiguity or question of intent or interpretation arises, this Agreement must be construed as if it is drafted by all of the parties, and no presumption or burden of proof will arise favoring or disfavoring any party by virtue of authorship of any of the provisions of this Agreement.

(d) Severability. If any term, condition or other provision of this Agreement is finally determined by a court of competent jurisdiction to be invalid, illegal or incapable of being enforced by any applicable Law or public policy, all other terms, provisions and conditions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible to the fullest extent permitted by applicable Law in an acceptable manner to the end that the transactions contemplated hereby are fulfilled to the extent possible.

(e) Counterparts. This Agreement may be executed in one or more counterparts (including by electronic mail), each of which shall be deemed to be an original but all of which taken together shall constitute one and the same agreement, and shall become effective when one or more counterparts have been signed by each of the parties and delivered to the other parties.

(f) Entire Agreement; No Third-Party Beneficiaries. This Agreement (i) constitutes the entire agreement and supersedes all prior agreements and understandings, both written and oral, among the parties with respect to the subject matter hereof and (ii) is not intended to confer upon any person (including any shareholder of any party) other than the parties any rights or remedies.

(g) Governing Law; Consent to Jurisdiction.

(i) This Agreement shall be governed by, and construed in accordance with, the Laws of the State of Iowa applicable to contracts executed in and to be performed entirely within that state, regardless of the laws that might otherwise govern under any applicable conflict of laws principles.

(ii) All Actions arising out of or relating to the interpretation and enforcement of the provisions of this Agreement and in respect of the Transactions shall be heard and determined in the Iowa District Court for Polk County, or, if the Iowa District Court declines to accept jurisdiction over a particular matter, any federal court within the State of Iowa, or, if both the Iowa District Court and the federal courts within the State of Iowa decline to accept jurisdiction over a particular matter, any other state court within the State of Iowa, and, in each case, any appellate court therefrom. The parties hereby irrevocably submit to the exclusive jurisdiction and venue of such courts in any such Actions and irrevocably waive the defense of an inconvenient forum or lack of jurisdiction to the maintenance of any such Action. The consents to jurisdiction and venue set forth in this Section 7(g)(ii) shall not constitute general consents to service of process in the State of Iowa and shall have no effect for any purpose except as provided in this paragraph and shall not be deemed to confer rights on any Person other than the parties. Each party agrees that service of process upon such party in any Action arising out of or relating to this Agreement shall be effective if notice is given by overnight courier at the address set forth in Section 7(b). The parties agree that a final judgment in any such Action shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable Law; provided, however, that nothing contained in the foregoing shall restrict any party's rights to seek any post-judgment relief regarding, or any appeal from, a final trial court judgment.

(h) Assignment. Neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned, in whole or in part, by operation of Law or otherwise, by any of the parties without the prior written consent of the other parties. No assignment by any party shall relieve such party of any of its obligations hereunder. Subject to the immediately preceding two sentences, this Agreement shall be binding upon, inure to the benefit of, and be enforceable by, the parties and their respective successors and permitted assigns. Any purported assignment not permitted under this Section 7(h) shall be null and void.

(i) Enforcement. This Agreement is intended to be a voting agreement under Section 490.731 of the Iowa Business Corporations Act ("IBCA") and

shall be specifically enforceable as provided in the IBCA. The parties agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached, and that monetary damages, even if available, would not be an adequate remedy therefor. It is accordingly agreed that, prior to the termination of this Agreement pursuant to Section 5, the parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement, without proof of actual damages (and each party hereby waives any requirement for the securing or posting of any bond in connection with such remedy), this being in addition to any other remedy to which they are entitled at law or in equity. The parties further agree not to assert that a remedy of specific performance is unenforceable, invalid, contrary to Law or inequitable for any reason, nor to assert that a remedy of monetary damages would provide an adequate remedy for any such breach.

(j) Waiver of Jury Trial. EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE IT HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OF THE TRANSACTIONS CONTEMPLATED HEREBY. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (A) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (B) IT UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF SUCH WAIVER, (C) IT MAKES SUCH WAIVER VOLUNTARILY AND (D) IT HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVER AND CERTIFICATIONS IN THIS SECTION 7(J).

IN WITNESS WHEREOF, each party has duly executed this Agreement, all as of the date first written above.

Press Release

Brookfield Reinsurance to Acquire AEL in \$4.3 Billion Transaction

BROOKFIELD, NEWS, July 5, 2023—Brookfield Reinsurance (NYSE, TSX: BNRE) and American Equity Investment Life Holding Company (NYSE: AEL) (“AEL”) today announced that they have entered into a definitive agreement whereby Brookfield Reinsurance will acquire all of the outstanding shares of common stock of AEL it does not already own in a cash and stock transaction that values AEL at approximately \$4.3 billion.

As part of the agreement, each AEL shareholder will receive \$55.00 per AEL share, consisting of \$38.85 in cash and 0.49707 of a Brookfield Asset Management Ltd. (NYSE, TSX: BAM) (“BAM”) class A limited voting share (“BAM Shares”) having a value equal to \$16.15 (based on the undisturbed 90-day volume-weighted average share price (“VWAP”) of the BAM Shares on June 23, 2023), subject to adjustment in certain circumstances as described below (the “Merger Consideration”). The Merger Consideration of \$55.00 per share represents a 35% premium to AEL’s undisturbed closing share price on June 23, 2023 and a 42% premium to AEL’s 90-day VWAP as of such date.

Anant Bhalla, President and Chief Executive Officer of AEL, said, “We are pleased to have reached this agreement with Brookfield Reinsurance and believe this transaction provides an excellent outcome for all AEL shareholders, policyholders and other stakeholders. The significant premium that will be delivered to shareholders as a result of this transaction is a testament to our strong performance and AEL’s successful transformation under the AEL 2.0 strategy into an asset light insurer and asset manager. The transaction represents an opportunity for AEL shareholders, through the BAM Shares, to remain invested in a market leading global alternative asset manager. I couldn’t be more excited about the potential opportunities for our people and benefits for policyholders as part of a preeminent global financial institution.”

David Mulcahy, Non-Executive Chairman of AEL’s board, said, “On behalf of the entire board, I am incredibly proud of AEL’s achievements and record of value creation for all stakeholders under the AEL 2.0 model. Thanks to Anant, the entire management team and our dedicated employees across our platform for their role and contributions in achieving this great outcome with Brookfield Reinsurance.”

Sachin Shah, Chief Executive Officer of Brookfield Reinsurance, said, “This transaction represents an important step in the continued growth of our insurance business, further diversifying, and scaling, our insurance capabilities, and is a direct result of the partnership we have developed with AEL since our initial investment in 2020. With this transaction we have now deployed or committed over \$10 billion of capital since our inception, bringing our total insurance assets to over \$100 billion, and we remain on track with our growth targets for the business. Brookfield Reinsurance remains well capitalized and committed to meeting the needs of its policyholders and clients.”

Jon Bayer, Managing Partner, Brookfield Reinsurance, said, “Given the complementary nature of AEL’s leading fixed annuity business to our existing platform, we expect to accelerate growth in collaboration with our distribution partners and employees while continuing to meet the needs of our policyholders and other stakeholders. Under its current leadership, AEL has been transformed into an innovative, asset light insurer that is positioned for growth, and we look forward to building on our successful partnership.”

Following closing, Brookfield Reinsurance expects to maintain AEL’s headquarters in Des Moines, Iowa and that growth in the AEL platform over time should increase net jobs in Iowa. Brookfield Reinsurance also looks forward to supporting the greater Des Moines area, including through maintaining AEL’s existing charitable contributions and through Brookfield’s broader charitable foundation and other charitable initiatives.

Brookfield Reinsurance also intends to continue AEL’s focus on alternative asset strategies and expects BAM will manage a significant portion of AEL’s assets. As a result, AEL will gain access to BAM’s leading direct origination platforms and asset management capabilities while maintaining its current high-quality bias and investment grade focus.

Additional Transaction Details

If based on the 10-day VWAP of the BAM Shares (measured five business days prior to closing of the transaction) (the “BAM Final Stock Price”), the BAM Shares are trading at a price such that the aggregate consideration per AEL share would be less than \$54.00 per share, the number of BAM Shares delivered for each AEL Share will be increased such that the value of the aggregate consideration delivered for each AEL Share will equal \$54.00 and Brookfield Reinsurance will have the option to pay cash in lieu of some or all of the share portion of the Merger Consideration. In the event that the BAM Final Stock Price would result in the aggregate Merger Consideration per AEL Share being greater than \$56.50, the number of BAM Shares delivered for each AEL Share will be decreased such that the value of the aggregate consideration delivered for each AEL Share will equal \$56.50.

Brookfield Reinsurance intends to acquire from Brookfield Corporation (NYSE, TSX: BN) (“BN”) the BAM Shares required to satisfy the non-cash consideration offered to AEL shareholders. Subject to this occurring, BAM's public float will increase by approximately 10%, which is strategically important as BAM continues to broaden its shareholder base and BN's interest in BAM will decrease from 75% to approximately 73%. Accordingly, there will be no net new issuance of shares of BAM, BN or Brookfield Reinsurance and no dilution to BAM, BN or Brookfield Reinsurance shareholders as a result of this transaction. The cash portion will be funded from excess liquidity within Brookfield Reinsurance.

The transaction is not subject to any financing condition or contingency. Each of Brookfield Reinsurance's and AEL's boards of directors unanimously approved the merger agreement.

The merger is expected to close in the first half of 2024, subject to approval by AEL shareholders and other closing conditions customary for a transaction of this type, including receipt of insurance regulatory approvals in relevant jurisdictions and the expiration or termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976.

Upon the closing of the proposed transaction, AEL Shares will be delisted from the New York Stock Exchange and shares of AEL's series A noncumulative preferred stock (NYSE:AELPRA) and series B preferred stock (NYSE:AELPRB) will remain listed on the New York Stock Exchange.

Under the terms of the merger agreement, AEL has agreed to suspend the payment of dividends on its common stock through the closing of the transaction, unless the transaction does not close by April 4, 2024, in which case the AEL Board may decide to reinstate the payment of dividends on its common stock.

For further information regarding the definitive merger agreement, please see AEL's current report on Form 8-K, which will be filed with the U.S. Securities and Exchange Commission (the “SEC”) and will contain a summary of the material terms and conditions of the merger agreement, as well as a copy of the merger agreement.
